Message from the PRINCIPAL

Dear Parents, Carers and friends of St Michael's,

Last week, we celebrated two terrific wins with our Bill Turner Soccer squad taking out their regional final against Beaudesert SHS and our Titans Cup Rugby League defeating Robina SHS to take out their competition. Both games were a sensational demonstration of St Michael's pride and sportsmanship. I had the pleasure of experiencing both games.

Our Bill Turner Cup squad were fairly evenly matched with a great Beaudesert SHS side and the game finished nil all at full-time. We then moved into golden goal with a player dropping off every 5 minutes until there were just seven players on either side and it was still nil all. The game then moved to penalty shootouts where our team took out the competition 3:0. Our boys played with incredible pride. After the game we took the boys to Maccas to celebrate their win.

I was just so impressed to have about half a dozen young men come up individually to shake my hand to thank me for supporting their team. This is the St Michael's College spirit that I love so much! Thanks to our coach Mr Ellison and Mrs Alexander who travelled to Beaudesert to support our team.

The St Michael's spirit was again hugely evident at our game with Robina SHS at the Titans Cup final. The last time the teams met, St Michael's went down solidly to Robina, but this time, our boys stepped up a gear and won 26:12. There was an incredible spirit at the game with a friendly war cry competition between St Michael's and Robina. Our supporters were incredible and helped to push our boys across the line. I would especially like to thank Bridget Hoy (Year 12 House Capt) who brought along a loud hailer to lead our cheer squad. Bridget and other seniors had tried the week before with the extra volume and had struggled to get the cheer going. Thanks to all of our supporters in war paint and with the great St Michael's sign. I would like to congratulate our team and their coaching squad including Mr Wyper, Mr Esdale, Mr Pennisi, Mr Daddy and Mr Fowler.

Next term, we will have a paid Crossing Supervisor on our Jondique Avenue crossing both morning and afternoon. I would like to thank Tudor Munkley and Mr Eisenhuth who have joined me in manning the crossing while we have been waiting for this. I would also like to thank Anne Robinson from Queensland Transport for her support throughout this process. Students will need to be aware that they need to listen for two whistles before walking onto the crossing and that they will need to follow the Crossing Supervisor’s instructions.

As a community, we would like to wish Mrs Hollie King all the best as she heads off on Maternity Leave and Mr Martin Maloney all the best as he has been announced as the permanent Head of Secondary at Assisi College.

I would like to wish all of our families the best for a safe and enjoyable holiday and offer our community’s best wishes for Confraternity and QISSN teams as they compete in the state-wide competition over the holidays.

Yours in Christ
Mr. Michael Nayler

**Personal Mobile Devices**

In this day and age where on a daily basis there would be over 900 personal mobile phones and devices on site during the school day, it is important to remind families of our policy around security of personal devices and valuables. In the Student Planner under *Personal Property* it is emphasised that the College cannot be held responsible for the loss of personal items and valuables. All students are provided with a secure locker for such items in the school day and are responsible for their valuables.

A particular example is the policy in place for students during their HPE practical classes. Students are asked to **never** leave valuables in the change rooms for security reasons and they are required to leave items such as mobile phones in their lockers. We are fully aware that many students choose to carry their mobile phones with them during the school day. If this is the case and they choose to take valuables to their HPE lesson, then we ask that once changed in their HPE attire, they then take their bag to the playing field and not leave it unattended. We thank you in advance for your support in assisting with the implementation of this important policy.

**College Spirit with recent successes**

We experienced another great week of success with victories with both our Bill Turner Cup Soccer team and our Rugby League Titans Cup Premiers. For myself, there was a real sense of pride to experience the amazing level of support from staff, students, parents and in particular past students at the Grand Final on Wednesday evening. This is testament to the wonderful community spirit that has grown to be such a part of the St Michael's culture.

All present felt a great sense of pride and enjoyment in hearing the robust and positive cheering and the sportsmanship displayed by both teams during and after the games. School spirit is something that ‘cannot be bought’ but is grown and permeates as a community culture. St Michael's has become very rich with such a positive school spirit.

Congratulations to Harrison Lillis (Year 7), who competed at Caboolture on the weekend and won gold and was awarded the U15 Junior 5 Stand Shotgun SSAA Queensland State Champion. His result also gave him the title of Men's C Grade 5 Stand Shotgun SSAA Queensland State Champion.

Best wishes to all families for the coming week.

Message from the **ASSISTANT PRINCIPAL RELIGIOUS EDUCATION**

As we approach the end of term 2, planning has begun in earnest for term three.

On Wednesday July 13, all year 8 students will participate in the Year 8 Spirituality and Leadership Day at the College. The theme for the day is “Kindness to Ourselves and Others”. A musical group called “Iron and Clay” will perform for the students in the morning. Their music has messages of how we can relate to one another in a caring way. Students will attend a series of workshops learning about Leadership, planning Random Acts of Kindness and reflecting on who they are and what future they are building towards given their unique gifts and talents.

Year 11 will have separate Spirituality and Leadership Days in week two of term three. The National Evangelism Team, a group of young people who travel the length of the Eastern Seaboard of Australia conducting Reflection Days with students, will facilitate the Spirituality Day. Mr Bernie Kelly of Global Immersion will facilitate the Year 11 Leadership Day. Bernie has worked with the Year 11 students of St Michael's for a number of years and has an amazing capacity to engage his audience. He has received the “Pride of Australia” medal in recognition of his services to young people.

I wish all families a safe and enjoyable break. I sincerely hope that it provides many opportunities for families to reconnect and enjoy each others company. As we enter the holidays, we might reflect on the words of Joan Chittister taken from her book *The Art of Life*.

*Play is of the essence of the happy life. It is not something we ignore as we grow older. It is something we finally learn to appreciate as we grow older. “We don't stop playing because we grow old,” according to George Bernard Shaw. “We grow old because we stop playing.”*

Reports will be posted during the first week of the school holidays and will be available through the College website, Parent Portal. In the reporting package there will be instructions on how to log into the Parent Portal. In the spirit of moving into digital reporting for Semester 2, it is important that all parents and carers create their account in the portal. We will be using the parent portal to provide a range of information to you in the future.

Please read the report with your son/daughter and discuss their successes and challenges. Work through setting goals together for the coming semester.

**PARENT / TEACHER / STUDENT INTERVIEWS (PTO)**

**Thursday 14 July 1pm – 7pm**

Please see the below dates to remember:

- **Thursday 23 June 2016** - You will be sent an email with instructions on how to obtain your pin and password from the school’s home page.
- **Wednesday 29 June 2016** - PTO Bookings On-Line will be turned on at 9am and you will be able to make your bookings until it closes on Wednesday 13 July 2016.
- **Wednesday 13 July 2016** - PTO Bookings will close at 12 noon.
- **Thursday 14 July 2016** - Parent/Teacher/Student Interviews will be held from 1pm to 7pm.

**Message from the COLLEGE COUNSELLOR**

This week I would like to discuss the importance of **parenting mindfully with purpose and patience and teaching and consistently enforcing family rules**.

Parenting mindfully with purpose and patience is the key to effectively parenting a teenager. Mindful parenting is about paying attention to your thinking and staying focused on the present - the here and now. Parenting mindfully and being consciously aware of your parent wish, the enduring wish you have for your teenager in life, will give you the encouragement you need to continue parenting with purpose and patience. Being conscious of your parent wish will help keep in perspective the day to day challenges you will inevitably face as you parent your teenager through the teenage years to adulthood.

You should not be afraid to set and enforce rules. Living without rules provokes uncertainty and anxiety in a teenager and it makes it harder for them to learn how to achieve the balance between getting what they want and respecting the needs of others. Try to involve every member of the family in developing the family rules as this will help them understand and maintain the principles behind the rules. Rules should be as few in number as possible and ‘bottom line’ to ensure the functioning of the family. Rules should address personal physical safety, personal respect, respect for the property of an individual, daily routines and communication when away from home.

Don’t assume your teenager will know the family rules. You need to teach your teenager the family rules and be clear and precise in describing to your teenager what to do and what not to do. Check that your teenager understands the family rules and the consequences for failing to abide by them. Finally use only enforceable behaviour consequence statements- ones you can and will enforce. While being firm and consistent with rule enforcement allow enough flexibility for rules to be challenged and changed as your teenager grows and demonstrates the ability to be responsible and self-governing.

Please do not hesitate to contact the College Counsellors if we can assist in ensuring the wellbeing of your teenager. Email: counsellor@stmichaels.qld.edu.au or phone 0434 425 776.

With best wishes

**What’s going on?**
Next term Year 11 HPE will commence with Touch Football and Sociology; Year 12 HPE will go ahead with Touch Rugby and Exercise Physiology; Year 11 REC will undertake Outdoor Education; and Year 12 REC will set about with learning how to play Golf.
A new cohort of students in Years 7, 8, 9 and 10 will begin their semester in HPE.

**Gym**
Parents and students are reminded that the gym is open on a Tuesday and Thursday afternoon, 3:00pm – 4:00pm. Students are asked to bring a full change of clothes, a towel and water bottle to every gym session.

**Healthy Hints**
Remember – regular exercise and a healthy diet together is the most effective way to lose weight.

Lastly, enjoy your vacation, be safe, and I look forward to seeing everyone again next term.

**Message from the SPORT FACULTY**

**Representative teams**
What a week of sport last week! A big congratulation to both our Bill Turner Cup team and Open Rugby League squad who were both victorious in their matches during the week. The Bill Turner Cup team are now in the final 8 teams in QLD and the Rugby League team won the Titans Challenge Grand Final in a hard fought contest. See below for detailed reports.

**Good Luck**
This weekend our Open Netball and Rugby League teams travel to Rockhampton for the Annual QLD School Sport Independent Netball & Rugby League Championships. Both teams have had strong lead up competitions to ensure they are prepared for the Championships. All the best of luck to all students participating and thank you to the staff attending: Mr Esdale, Mr Wyper, Mr Fowler, Mr Kang, Mr Levick, Mrs Alder and Mrs Vayonitis.

Titans Challenge Rugby League Grand Final

Our Open Boys Rugby League team completed their warm up events for next week’s QLD Independent Rugby League Championships in Rockhampton, with a strong team effort in the final of the Titans Challenge Rugby League Competition. After being down 12-6 at half time the boys dug deep to take the lead halfway through the second half in a dominant defensive effort. Ably lead by the forwards and strong performances by Lane Ticehurst, Braxton Tahi and Sam Clarke, plus a strong second half from Josh Whitley allowed the boys to close out the game late in the second half 26-12. It was a wonderful display of support from the team with a large number of supporters making the trip to Owen Park.

Bill Turner Cup

The Bill Turner Cup team played the Zone 4 semi-final on Tuesday afternoon against Beaudesert State High School. The team travelled to Beaudesert for a 3pm kick off. The team was confident going into the match that they could match their opponents in both skill and fitness. In a very physical game the boys were dominant without being able to score by not only full time but also after extra time. The game went to a penalty shoot-out and the steadiness of the strikers won out winning 3-0. This win puts the team into the top 32 in Australia and top eight teams in Queensland, a great result for the school.

Defenders Ben Mizzi, Cooper Budwee, Harrison Petty and Zac Calcott have been resolute in each match only allowing one goal to be scored past them in five matches. A special mention needs to be made of both Ben Mizzi and Lachlan Cavey who were outstanding in the match. Lachlan pressured the opposing defense each time he had the ball.

It is most likely that the final will be played in Brisbane depending on the outcome of the other semi-final. Good luck to the boys. We will be keeping you all up to date on the College’s Facebook page.

Seared Sirloin Pita Bowl, served on a guacamole smear.

Creation by: Madison Gray, Jessica Mavor and Sophie Johnson-Abbott

Our beautiful Year 7’s have created this amazing dish, FROM SCRATCH, as part of their Home Economics assessment. Students were to work in a team of three to design and construct a quality meal, featuring a lean meat, a variety of vegetables, a carbohydrate and at least one item from the school’s herb garden. They needed to display a variety of cookery techniques in an allocated time frame of 60 minutes. These girls and all of the year 7’s should be congratulated on such an outstanding effort.

Well done!

Understanding the facts on Catholic school funding

For 200 years, Catholic schools have educated children in Australia. Today, Catholic schools enroll more than 780,000 students in 1,711 schools across Australia.

It is important to understand the facts on funding for Catholic schools, which educate one in five Australian students.

A strong Catholic education system contributes to a strong Australian community. Governments provide the majority of funding for Catholic schools, helping to ensure they remain a vital part of our education system.

According to the Australian Government’s My School website, Catholic school students receive, on average, 72% per cent of government funding. This means that other sources of funding, such as parents, must contribute towards the costs of Catholic education through fees and fundraising.

The Commonwealth provides 70% of the government funding Catholic schools receive. State and territory governments provide 82% of the funding for government schools.

Even when parent fees are taken into consideration, Catholic schools operate with roughly the same level of recurrent funding as government schools.

Catholic schools save the taxpayer $1.6 billion each year in recurrent funding and take the pressure off government schools.

Catholic school parents also provide the majority of funding for capital works to school buildings and equipment and other costs that are not funded through additional savings for governments and taxpayers.
