Dear Parents, Carers and friends of St Michael's,

I would like to begin by congratulating Ross Burrell, our 2017 College Captain, who took out 2nd place in the grand final of the AB Paterson Public Speaking Competition. Ms Livett and Mrs Dowdall who supported Ross at this evening and the judges were effusive in their praise for Ross’ incredible talent. Many thanks to Ms Livett for her passion in supporting our public speaking & debating teams throughout the year.

This week, I announced that we would offer our 2017 Year 10-12s the opportunity to take part in a Social Justice Solidarity Experience in East Timor (Timor Leste) over the 2017 September Holidays. This experience would involve working with many Catholic charitable agencies who serve orphans, lepers and East Timor’s poor and marginalised. The expected cost of this experience is $3500, but I believe that it will be a life-changing experience for all involved. Parents and students in our current Year 9 – 11 classes should have received an email with details of this experience. There will be a parent information evening on this experience at 6.30pm, Wednesday November 9 in our College’s Chapel.

Last week, we held our Year 7 Orientation Days. It was wonderful to spend some time with our future Year 7 students. I was very impressed to have been asked by two groups of students from our local state schools, if I would like them to go over to sit with some students who were the only ones from their schools. It was great to see the calibre, compassion and leadership of our future Year 7s and that they already were showing the sorts of values we expect at St Michael’s. We still have some places available in most year levels if you know any families who are still looking to join our community.

Our Leadership team had the opportunity to speak with our new Year 7s about St Michael and our St Michael’s pillars. I thought that it may be worth sharing some of the more common depictions of St Michael with our wider community. These depictions (below) show St Michael as a protector and defender of justice is often linked as the patron of many groups including: grocers, mariners, paratroopers, police and sickness. We always finish our prayers at St Michael’s by saying “St Michael, pray for us”, when we ask our patron saint to intercede or pray on our behalf to God for our protection.
This week, I had a second talk with our Seniors about finishing off their year with the same pride and manner in which they have led us across 2016. While I fully expect this great group of young women and men to continue to display our St Michael’s pillars to their final school day and beyond, I thought that it was also important that they clearly understand our expectations. I told our Seniors how heart-breaking it is for me to tell a Senior that they have to leave school before the end of the year and miss out on Graduation and all of the exciting experiences that come with it, but that I have had to do this a number of times in the past. I also reminded our Seniors about the need to continue to look after one another both within and outside our St Michael’s community.

On Friday, Dr Kemp will again run the Wellbeing Day for our students to explore options to assist with their mental, physical and spiritual wellbeing. There are a number of guest speakers joining us for the day, including past student and journalist, Eva Milic, who will speak to our young women about being “Resilient Women” and our boys will have a guest speaker on being “Authentic Men”.

Yours in Christ
Mr Michael Nayler
Principal

Message from the Deputy Principal

Student Wellbeing Day
On Friday October 28, we will be conducting our now annual Wellbeing Day. For the day, we have organised guest speakers to present on age and gender specific topics that we believe are critical for young people. The 45 minute presentations will be conducted as follows;

- Year 7/8 – Tricia Munn from ‘Eyes Open Social Media’.
- Year 9/10 – Geoff Richardson from Child Youth Mental Health on ‘Risky Behaviours’.
- Year 11/12 Girls – Eva Milic on ‘Resilient Young Women’.
- Year 11/12 Boys – Lyndon O’Neill on ‘Authentic Men’.

The presentations will then be followed by our Wellbeing Day showcase in our MPC. We thank very much Dr Jeff Kemp, College Counsellor for securing over 20 local exhibitors for the day for student enjoyment, entertainment and learning. This day is integral to our ongoing Pastoral Care program and the holistic development of our students and hence, we look forward to a special day this week.

I very much encourage parents and carers to discuss the day with your child next week, especially in regard to what they learnt and took away from the messages from our guest presenters.

Best wishes to all families for the coming week.

Mr Stephen Eisenhuth
Deputy Principal

Message from the Assistant Principal Religious Education

The Jubilee Year of Mercy which began at the end of 2015 and we have been celebrating during 2016 will come to an end on November 20. As this year comes to an end, Pope Francis reminds us the message of mercy has been emphasised during this year, but it will continue to be an important aspect in living in the way of Jesus. Pope Francis spoke in the past week about giving food and drink to the hungry and thirsty.

Stressing that access to food and water is a universal right, he stressed that we need to personally respond to this urgent reality. The Holy Father recalled how often the media tells of those who are suffering from lack of food and water, with serious consequences particularly for children.

“Faced with some news and especially certain images, the public feels touched and responds occasionally with solidarity campaigns. The generous donations made this way, can help alleviate the suffering of so many.”

Charity, in forms of solidarity campaigns, donations, and so on, is important, but perhaps does not involve us directly enough, the Pope observed.

“But when, going down the street,” he explained, “we cross a person in need, or a poor man comes knocking at the door of our house, it is very different, because they are no longer in front of an image, but we are personally involved. There is no longer any distance between me and him or her.”

“In these cases, what is my reaction?” he asked those present to consider.

He told those present to ponder how often we say when praying the Our Father, “Give us this day our daily bread,” and yet we do not really focus on those words. Every day, Francis lamented, many are starving, right next to abundance and waste.
As the Christmas trees and decorations begin to invade our shops, we are called to think about how we can share the Christmas spirit of plenty with those who struggle to have enough. Each Pastoral class during term 4 is collecting a basket of goods to be given to St Vincent de Paul for their Christmas appeal. Many thanks to Allan Wyper and Shannon house for the organisation of this collection. As well as donating as a family to this most worthy collection, perhaps we can ponder how else we might ensure that this year we will not have ‘many starving, right next to abundance and waste’ here where we live on the Gold Coast.

Margaret Petherbridge
APRE

Message from the ASSISTANT PRINCIPAL STUDENT & STAFF DEVELOPMENT

It was very pleasing to send out letters at the end of last term to a large number of students who were still maintaining 100% attendance. These students have embraced our pillar of Dedication and have set themselves up to maximize their academic potential.

I have had the pleasure of compiling all the academic awards for our upcoming Awards Night on 4 November at 7.00pm. Successful awardees have been notified by letter and hopefully this has been passed onto parents. Please encourage your student to celebrate their academic achievements by attending this important event in our college calendar.

If your student is not performing as well as expected in their subjects, then this graphic may assist you in having conversations with your child about how to improve and not to give up. There is time to turn around results in the all-important term 4 assessments. This is very important for our Year 12s who sometimes seem to believe the myth that it is all over. This is certainly not the case; all student’s results can change positively or negatively on the upcoming assessment. It is now only two weeks until the Year 12 exam block which commences on 7 November.

Leonie Trueman
APSS

UNIFORM AND BOOKSHOP
ORDERS FOR 2017
Uniform and Stationery order forms for 2017 have now been uploaded on our parent portal. Stationery can be ordered from Network Education Australia via the internet and delivered to your door. Alternatively, the order forms, if paying by credit card or money order, can be returned to the Bookshop or Student Reception. We will then forward to Network Education on your behalf by November 30, 2016.

TEXTHIRE
It’s that time of year again where we ask all parents/caregivers to ensure students return their texthire books. These books must be returned by Wednesday November 30 2016, so to not incur a fee.

UNIFORM/BOOKSHOP HOURS FOR 2017
The uniform/bookshop will resume from Thursday January 19 2017, 8.00am to 2.00pm.

Rana Chouja
Uniform/Bookshop Convenor
Phone: 5530 2722 ext 2017 Email: bookshop@stmichaels.qld.edu.au
Message from the **SCIENCE FACULTY**

So who are the SCIENCE STARS for the start of term 4?

<table>
<thead>
<tr>
<th>NAME</th>
<th>CLASS</th>
<th>REASON</th>
</tr>
</thead>
<tbody>
<tr>
<td>Kalani Astic</td>
<td>7.1</td>
<td>For showing initiative with their science research task.</td>
</tr>
<tr>
<td>Eliza Albury</td>
<td>7.2</td>
<td>For demonstrating an enthusiastic work effort in class.</td>
</tr>
<tr>
<td>Georgia Fahey</td>
<td>7.3</td>
<td>Positive and helpful student. Committed to learning.</td>
</tr>
<tr>
<td>Evie Doyle</td>
<td>7.4</td>
<td>For being such a well-planned and enthusiastic student.</td>
</tr>
<tr>
<td>Bryce Knowles</td>
<td>7.5</td>
<td>Good participation.</td>
</tr>
<tr>
<td>Caitlin Clark</td>
<td>7.6</td>
<td>Good participation.</td>
</tr>
<tr>
<td>Ryan Camenzind</td>
<td>8.3</td>
<td>For completing the homework before the deadline.</td>
</tr>
<tr>
<td>Brooke Wightman</td>
<td>8.4</td>
<td>Always submitting work of a high standard.</td>
</tr>
<tr>
<td>Tamiya Wannasook-Alizzi</td>
<td>8.5</td>
<td>Always enthusiastic. Answers lots of questions in class.</td>
</tr>
<tr>
<td>Beth Tredrea</td>
<td>8.6</td>
<td>Pleasure to teach. Always works to the best of her abilities and goes the extra mile to learn the material.</td>
</tr>
<tr>
<td>Zoe Haines</td>
<td>9.2</td>
<td>Work to high standard – good participation.</td>
</tr>
<tr>
<td>William Smith</td>
<td>9.3</td>
<td>For always working well in class and being a pleasure to teach.</td>
</tr>
<tr>
<td>Ava Allende</td>
<td>9.4</td>
<td>Good work habits.</td>
</tr>
<tr>
<td>Jye Morgan</td>
<td>9.5</td>
<td>An improvement in application of work – and work submitted on time.</td>
</tr>
<tr>
<td>Ty Semetas</td>
<td>10.2</td>
<td>For consistent work in class and solid assessment result.</td>
</tr>
<tr>
<td>Paige Starr</td>
<td>10.3</td>
<td>For being diligent and working well on every task. Enthusiastic approach to work.</td>
</tr>
<tr>
<td>Kaleb Lee</td>
<td>10.5</td>
<td>For being excited and involved in learning about chemistry and the periodic table.</td>
</tr>
<tr>
<td>Maya Christopher</td>
<td>11.1 Biology</td>
<td>Great EEI draft.</td>
</tr>
<tr>
<td>Sam Vine</td>
<td>11.2 Biology</td>
<td>Working very hard on his EEI.</td>
</tr>
<tr>
<td>Matthew Ruygrok</td>
<td>11 Chemistry</td>
<td>Has been attentive and has taken part in classroom discussions.</td>
</tr>
<tr>
<td>Bronte Maund</td>
<td>11.1 Physics</td>
<td>Always gets her work done and shows initiative in her problem solving.</td>
</tr>
<tr>
<td>Sebastian Muir-Smith</td>
<td>11.2 Physics</td>
<td>Is a self-directed and responsible learner who shows initiative with his class work.</td>
</tr>
<tr>
<td>Catherine Vitelli</td>
<td>12.1 Biology</td>
<td>Consistent application in class over the whole year.</td>
</tr>
<tr>
<td>Geneva Duffy</td>
<td>12.2 Biology</td>
<td>Has shown a significant improvement in the quality of her work.</td>
</tr>
<tr>
<td>Georgia Boevink</td>
<td>12.3 Biology</td>
<td>Always works well in class, consistently strives to achieve her best.</td>
</tr>
<tr>
<td>Mark Hohns</td>
<td>12 Chemistry</td>
<td>100% attentive in class.</td>
</tr>
<tr>
<td>Mitchell Cook</td>
<td>12 Physics</td>
<td>Always focused in class to perform at the best of his ability.</td>
</tr>
</tbody>
</table>

Well done to all these students and those who are working at their best. Look out for more science stars at the end of this term!

Julie Miles

---

**Message from the HPE FACULTY**

Year 12 HPE students should be finalising their draft for submission at the beginning of Week 4. They are also in the process of developing a gymnastic practical routine that will be assessed during the exam block.

Year 11 HPE students are busy creating their multi-modal assessment and learning their gymnastic practical routine.

Year 12 REC students are running their own sports modules and the Year 11 REC students are playing baseball.

Middle school students have a variety of practical units on the go and are unpacking the content in preparation for their assessments.

**Gym**

Parents and students are reminded that the gym is open on a Tuesday and Thursday afternoon, 3:00pm – 4:00pm. Students are asked to bring a full change of clothes, a towel and water bottle to every gym session.

**Healthy Hints**

Watch television less and play more. Think of chores such as vacuuming, lawn mowing and dusting as exercise.

Clinton Daddy
HPE Faculty Leader
Message from the SPORTS COORDINATOR

With Rec Sport this term well underway we have had some excellent feedback from the students and teachers. Rec sport is an excellent way to finish the final term of school, with students heading out to various social and interactive sports such as Bowling, Standup Paddle Boarding, Bounce, Go Karting and Zumba just to name a few. This is an excellent opportunity for students to undertake new sports which they may not normally get to participate in, at a discounted rate. I must also add that as we are out in the community representing the College student behaviour is of the upmost importance. If any student cannot follow teacher instructions or uphold the College expectations, they will be removed from their sport for a week to contemplate their actions.

Representative news

- Zara Jones 4th in AM5 Show Jumping at Nationals.
- Britney Holloway 4th in 200m Fly at Nationals.
- Cody Paddenburg 6th State BMX Finals.

We also have 7 students currently competing at the State Track and Field titles in Brisbane.

- Amy Coulston – High Jump/Long Jump.
- Joshua Twigg – 800m.
- Jamison Stovin- 3k walk.
- Charlotte Chant- 100m/200m/400m.
- Caitlin Anderson- High Jump.
- Tyson Bonney- 200m/400m.
- Julian Celano- Shotput.
- Bridie Mulcaster- 5 km walk.

Corbin Levick
Sports Program Leader

SENIOR BOYS AFL MATCH

Last Tuesday October 18, our senior boys got together to play a ‘friendly’ AFL game against traditional rivals Marymount. SMC have not been able to beat them for a number of years but our 2016 team were quietly confident. The game was a showcase and supported from teachers and students from both schools.

In a very even contest over four quarters Marymount again proved a little stronger in the end running out winners by 10 points, However the result could easily have gone the other way. All players are to be congratulated on their outstanding sportsmanship and playing the game in the right spirit at all times. It was certainly a memorable event in which our Year 12s were able to represent the College for the last time. Final scores Marymount 7 goals 10, 52 points defeated St Michael’s 6 goals 6, 42 points.

A special thank you to Mr Jacob May and Mr Jack Yabsley (Assistant Coaches) and Alec De Sousa (Water).

Mr Rick van den Driest
Coach
VET AWARDS NIGHT

A Night to Remember

Our year 12 VET Celebration Evening was last Wednesday and was a fun-filled and enjoyable evening for all. I take my hat off to all of the students who have studied VET subjects this year through traineeships, TAFE and right here at SMC! Congratulations to the major awardees: Brooke Baker, Lachlan Brown, Jake Burow, Montana Charles, Cienna Dargusch, Kiara Jenks, Mark McLean, Sam Pommer, James Poulter and Alissa Ternel-Picton. These students were recognised for not only showing outstanding ability in their chosen vocations, but also were voted as showing the most potential to succeed in their industries.

Another huge thanks must go to all of our VET teachers particularly Kara Brennan and Fiona Fowler and their loyal band of hardworking year 11 Cert II Hospitality ‘minions’. The food was spectacular, which was only trumped by the great company and conversation that accompanied it. Talk around the teacups is that Mr Levick only fractionally missed out on a Guinness World Record for most spring rolls consumed in a half hour period!

My Rhys Marshall from Trade Tools Nerang was also on hand to present our prize for the most outstanding Construction student. It was certainly hard to wipe the small off Lachlan Brown’s face when he took close to $1000 worth of tools to help him kick-start his career as a tradesman. Mr Mulhall was instrumental in securing this fantastic reward for his most outstanding student. Great stuff Mully!

Finally, the highlight of the night was our guest speaker – Mr Graham Sunderland – who spoke to the audience about advice for job seekers and also a few anecdotes from his many years in recruitment with the police. It was good to see the integrity of our students shining brightly; some even approaching Mr Sunderland during the informal part of the evening to thank him for his speech and acknowledge the impact it had on them.

Thanks to everyone who made the effort to come along, I’m sure you’ll agree it was a great night. Already looking forward to next year’s event, which will be bigger and better than ever.

Kind regards,

Mick Esdale
Vocational Pathways and Careers Coordinator

Message from the RESOURCE CENTRE

We have some exciting news as we are building a partnership with Robina Library and will update you with events that are happening that you can attend. There will be an Author Talk from the famous Isobelle Carmody who has written many books for teens such as “Obernewtyn” and “Little Fur”. We have a display in the library of her books so come in and have a look and grab a free bookmark about the author.

Don’t forget the “Convince me if you Can” Competition that we are running, where you get to convince us what you would like to see in the library. There are prizes for winners and even some prizes for those of you who just enter the competition!

Happy reading from the library.

Gina McPherson
Message from STUDENT SERVICES

If you are interested in any of these opportunities or if you would like more information, please see or contact Mr Esdale on mesdale@stmichaels.qld.edu.au.

TAFE AT SCHOOL 2017 COURSES

TAFE Queensland would like to announce that applications are now open for 2017 courses. Many wonderful opportunities for students on a VET pathway. Please see our Student Services Notice Board for all courses available and pop in and see us with any enquiries. Applications can be done online at www.studentrego.com (Code-TAFE7)

APPLICATIONS CLOSE FRIDAY 28 OCTOBER, 2017

DREAM BIG PROGRAM: ENGINEERING SCHOLARSHIP FOR FEMALE STUDENTS
Calibre Consulting, Brisbane are offering the opportunity for female students to be supported and mentored throughout their university life while they are studying engineering. Once accepted into the program, Calibre Consulting also provides professional employment upon graduation. The Dream Big Program offers paid work during university breaks, generous financial assistance ranging from $3000-$5000 per year to assist with university costs, a graduation bonus of $5000 per year for the first two years to help with associated university costs and more. Scholarships will be offered in Brisbane, Canberra, Sydney, Gold Coast, Rockhampton and the Sunshine Coast. Students can contact Hayley Urriola on 3895 3462 for further information or visit the Calibre Consulting website to apply.

NOJA POWER – YEAR 12 SCHOOL LEAVERS
NOJA Power is offering a number of apprenticeships for Systems Electricians (Cert III Electro-technology Electrician) and are also offering Engineering Cadetships whilst studying a Bachelor of Engineering degree at University. For further information please see the noticeboard outside Student Services or see Mr Esdale.

YR 12 SCHOOL LEAVERS – FULL TIME APPRENTICESHIP WITH SNAP PRINTING, ROBINA
Snap Printing at Robina are offering a full time 3-4 year apprenticeship to Year 12 school leavers interested in completing a Print Communications (Digital Stream) qualification. The student would work within a small Digital Production Team and will learn other valuable skills at the same time including customer service, quoting, invoicing, and marketing just to name a few. Interested students can apply via the link or scan the QR code which was emailed to all students by Mr Esdale. Alternatively, students may contact Vanessa Sanchez, Field Officer for Dept of Education & Training, Queensland Government on 0455 084 535 or E: vanessa.sanchez@det.qld.gov.au

VISIONSTREAM – YEAR 12 SCHOOL LEAVERS EMPLOYMENT OPPORTUNITIES
Any Year 12 school leavers interested in employment after December 9, may consider working with Visionstream who is NBN’s delivery partner in providing design, construction, commissioning and integration of the National Broadband Network infrastructure. Interested students can apply via the link or scan the QR code which was emailed to all students by Mr Esdale. Alternatively, students may contact Vanessa Sanchez, Field Officer for Dept of Education & Training, Queensland Government on 0455 084 535 or E: vanessa.sanchez@det.qld.gov.au

APPLICATIONS CLOSE 25 NOVEMBER, 2016.

Applications should be addressed to: Management Secretary, NOJA Power Switchgear Pty Ltd, 16 Archimedes Place, Murarrie Qld. 4172. Email: jobs@nojapower.com.au Website: www.nojapower.com.au

INTRODUCTION TO VETERINARY NURSING
TAFE Gold Coast are offering an Introduction to Veterinary Nursing course for students over the age of 15 who would like an insider’s overview of life as a Veterinary Nurse. Conveniently spaced over four evenings and finishing with a behind the scenes tour of an Oxenford Veterinary Clinic. For more information please contact Student Services or call TAFE Queensland Gold Coast Customer Service on 07 5581 8300.

CERT III SPORT & RECREATION SCHOOL BASED TRAINEESHIPS
Rackley Swimming are currently offering school based traineeships opportunities for students at both Miami and Burleigh pools. To enquire, please see Mr Esdale in the Student Services Centre, call Nicky Sloan HR Manager City Venue Management on 0407241057 or email traineeships@cityvenuemanagement.com.au
WHITE CHRISTMAS HIGH SCHOOL PROGRAM

Are you 14-18 years old and would like to go on a cultural exchange? Would you like to live in another country or speak another language? If yes, CAMPUS EDUCATION AUSTRALIA (CEA) are offering overseas programs and language group tours. Please see the Student Services bulletin board for more details or visit www.campus.com.au

STEFAN HAIR FASHIONS – SCHOOL BASED APPRENTICESHIPS 2017

Stefan Hair Fashions are currently offering School Based Apprenticeships to students commencing at the beginning of 2017. For further details, please see Mr Esdale in Student Services or contact Stefan Hair on 3840 0000 or visit www.stefan.com.au
