Dear Parents, Carers and friends of St Michael’s,

There have been many wonderful events this week, but I will focus on just a couple:

**Opening Mass**
I would like to congratulate Mrs Petherbridge, Mr van den Driest, Fr Nicholas, our talented musicians, altar server, presenters, staff, students and parents for an exceptional Opening Mass on Friday. It was an extremely meaningful and beautiful ceremony recognising the beginning of a new school year and our 2016 Seniors as they take on the role of Student Leaders. Following Mass, our entire Senior class and Student Leaders received their badges. I was particularly pleased to see the high standard of respect shown by all of our students throughout the ceremony and the talented musicianship on display. I would also like to congratulate Fr Nicholas, our College chaplain, on his powerful and thought-provoking homily on our “Be gold, when it’s grey” theme.

**New Student Welcome**
On Friday afternoon, our new families gathered for an opportunity to meet with their homeroom teachers and enjoy a simple pizza meal together. It was great to have a chance to meet some of our new parents. I would like to thank Mr van den Driest, our Senior Leaders, Nicole Hickey and our P&F, our homeroom teachers, pastoral leaders, and our new families for this wonderful event.

I would also like to share a little information about some current issues:

**Air conditioning in schools**
About this time every year in schools, Principals get inundated with requests to air condition our classrooms. Unfortunately, school funding does not allow for the air conditioning of classrooms or for the ongoing running costs. We are also advised that schools which can afford to air condition their classrooms may lose access to future government grants for new buildings or for refurbishing older ones.

While the $2,500 split system from the local electrical retailer looks like a value option, please be aware that it does not conform to code requirements for schools. A 64m² classroom with 30 bodies is a very different environment to a 250m² home with 3 or 4 people. As a guide, the new building funding process, where it funds air conditioning e.g. for computer labs, suggests that schools should expect a minimum cost of $12,000 for a 64m² classroom.

I am very glad that I raised this topic with our staff, as they then raised it with students, who came running up to me to plead for air conditioning. While I am unable to grant their wish, the students were able to point out that two whole school blocks (14 classrooms) only had two fans per room. Thanks to our students’ observations, we have been able to begin putting in the extra fans from this weekend to ensure that we have four in each room. We have also purchased new portable fans for the MPC and for classroom use.

**Bomb hoaxes**
You would be aware that a number of schools in Queensland and interstate have been the subject of bomb hoaxes last week. Police believe the calls have originated overseas and are designed to cause disruption and alarm.

Should such a threat be received at St Michael’s, we have a critical incident management procedure which would be implemented immediately. The safety of students and staff is always our first priority. Dependent on the nature of the threat, students are either evacuated from buildings to safe areas (which is generally the procedure that would be followed in the event of a bomb threat) or the school is placed into lockdown (in the case of the threat of an intrusion). Students and staff take part in drills each year to practise such scenarios.
Should such a situation arise, we follow the directions of Police at all times. As we need to ensure the safety of our staff as well as of our students, we would endeavour to contact parents by SMS, to alert you to the situation and any action which Police may request, as soon as it has been deemed safe to do so. In most cases, this will depend on an “all clear” being given. I trust that parents and carers understand that it is not appropriate to ask a staff member to stay behind to send SMSs when an evacuation has been ordered. These staff have the same right to safety as all other staff and students.

It’s unfortunate that a spate of these irresponsible hoaxes has occurred, especially during the very hot weather last week, causing further distress for students in those schools involved. Nonetheless, please be assured that we will always take any such threats seriously and do everything in our power to ensure the safety of all members of our school community.

Student pick up
Many parents will be aware that Mr Eisenhuth and I have been trying to assist with the safe movement of students and flow of traffic in the afternoons. While I suspect that we will have an ongoing battle with this, we couldn’t stand by and watch students running between vehicles on Jondique Avenue. We have also been trialling a new pick up process at the front of the school using a dedicated pickup and pull out / drive through lane. At the moment, we seem to be encouraging a better flow of traffic in front of the College, with most of the afternoon rush over by 3.10pm. I would ask that parents support us in encouraging their children to use the crossing. I would like to thank Tudor Munkley from our P&F who has been assisting us with our efforts each afternoon. We will continue to investigate options to assist in dealing with a very busy pick up zone.

New Pick-up/Drop-off arrangements for parents
We have devised a new process for parent entry to the College main car park. Last week we introduced signage (see photo) for the morning and afternoon pick-up and drop-off in the College main car park. To date we very much thank and appreciate parent support in staying left on entry to the car park so that there is a clear passage for direct drive through.

I must thank sincerely our new very ‘hands on’ Principal, Mr Nayler. Each afternoon he has directed students movement at the pedestrian crossing in our quest to stop students jay-walking across Jondique Avenue en route to either home or McDonald's. We also very much thank P&F member, Mr Tudor Munkley for his volunteer work in attending to the Chapel driveway gate preventing students crossing from that exit unsafely.

Throughout the week, there has been a significant improvement in traffic flow and pedestrian movement. Another request is that we ask that the section of roadway between the top and main driveway gate be kept as a ‘Clearway’. This allows pick-up traffic entering the College to stay left to allow a passage for buses and parents heading to the end of the cul-de-sac. We will be looking to have signage for this purpose.

Memorable Opening Mass 2016
We were extremely proud of the beautiful Opening Mass experience celebrated on Friday by Fr. Nicholas. There was a wonderful sense of spirituality as our theme “Be gold when it’s grey” around our Integrity pillar, was integrated in a magnificent way into the celebration. The traditional commissioning of our Year 12 Leaders was very moving and I congratulate our College Captains, Georgia Boevink and Harrison Lincoln for the excellent first official address to our community. Our school year is now well underway with a very positive energy throughout the community.

Best wishes to all families for the coming week.

Stephen Eisenhuth
Deputy Principal
Dear Parents/Guardians,

I am writing to ask you to consider hosting a teenage female student from our sister school in Hakata, Japan.

The seventeen girls will arrive at school on Monday, March 7 and require a host family until Monday, March 21. During this time, they will attend school at SMC each day, including a few excursions, which will leave from school. We would request that on the weekend the host families would treat the girls to some of the beautiful sights of the Gold Coast.

We ask that the girls be provided with an Australian style packed lunch each day please. In addition, it would be preferable if the girls could have their own room, or a decent space in their host sister’s room. Host families will receive $100 to assist with providing food for the student.

If you are interested in this fantastic cultural exchange experience, please do not hesitate to call me at school or e-mail me at codea@stmichaels.qld.edu.au.

I look forward to your positive response.

Colleen O’Dea
Japanese Teacher
This year the science department has decided to celebrate those students who demonstrate success in our classes. Hence at our 3rd weekly departmental meetings, individual teachers will nominate a student per class that they believe epitomises diligent, enthusiastic, self-directed and responsible learning behaviour. Our inaugural nominees for 2016 are:

<table>
<thead>
<tr>
<th>Year</th>
<th>Nominee</th>
<th>Reason</th>
</tr>
</thead>
<tbody>
<tr>
<td>7.2</td>
<td>Ethan Carney</td>
<td>Demonstrating an inquisitive attitude and having excellent participation in class discussions.</td>
</tr>
<tr>
<td>7.6</td>
<td>Reid Lambert</td>
<td>Participating and answering questions.</td>
</tr>
<tr>
<td>8.3</td>
<td>Dakota Cameron</td>
<td>Took initiative.</td>
</tr>
<tr>
<td>8.6</td>
<td>Hannah Whiteley</td>
<td>Working hard in Science.</td>
</tr>
<tr>
<td>9.2</td>
<td>Chloe Fitzgibbon</td>
<td>Focused, on task and highly motivated.</td>
</tr>
<tr>
<td>9.3</td>
<td>Declan McCarthy</td>
<td>He has been very motivated and taken great risks in answering questions in class.</td>
</tr>
<tr>
<td>9.4</td>
<td>Casper Recoules</td>
<td>For enthusiastic and organised start to his learning.</td>
</tr>
<tr>
<td>10.2</td>
<td>Zara Jones</td>
<td>Fantastic start.</td>
</tr>
<tr>
<td>10.3</td>
<td>Emily Newman–Pace</td>
<td>Engaged in topic and asking great questions.</td>
</tr>
<tr>
<td>10.5</td>
<td>Robert Deguara</td>
<td>Full engagement in class discussions.</td>
</tr>
</tbody>
</table>

Well done and congratulations to these students on making such an excellent start to the academic year. I hope to see many more names being added to this prestigious list as the year progresses.

Julie Miles  
Science Faculty Leader

The Health and Physical classes will focus on the following during Term 1:

**Year 7 PE** – Nutrition (Theory), Beep Test, Team Challenges and Team Sports.
**Year 8 PE** – Drugs (Theory), Fitness Testing and Bat and Ball Sports.
**Year 9 PE** – Principles of Training (Theory), Fitness Testing and Team Sports.
**Year 10 CPE** – Energy Systems (Theory), Orienteering and Team Sports.
**Year 11 HPE** – Skill Acquisition and Badminton.
**Year 11 REC** – Training principles (Theory and Practical).
**Year 12 HPE** – Sociology and Badminton.
**Year 12 REC** – Bronze Medallion / First Aid.

**Gym 2016**
Parents and students are reminded that the gym is open on a Tuesday and Thursday afternoon from 3pm – 4pm. Students are asked to bring a full change of clothes, a towel and water bottle to every gym session.

**Healthy Hints**
It is important to encourage children to eat breakfast. A good night's sleep followed by breakfast in the morning helps children stay active, concentrate at school and not get too hungry during the morning. Be a positive role model and let your child see you eat breakfast. Some great starters for the whole family include:

- A bowl of breakfast cereal or porridge with milk
- Slices of grainy toast or fruit bread with spread
- Fresh or stewed fruit and yoghurt

Swimming Carnival: Somerset College Thursday 11 February
Congratulations to all Year 7s for your efforts in the swim trials held last week. It was great to see all students making an effort. On Thursday the College will have its first Inter-House Carnival. Buses will depart by 9am and return to the College before the end of the school day. All parents are most welcome to attend the carnival. A canteen will be available throughout the day. Students are reminded to be sun savvy and keep fluids and food up during the day.

Program of Events is as follows:
• 9:30am - War Cries
• 9:50am - Freestyle (Age Championship A & B Div + House Points)
• 10:50am - Backstroke (Age Championship A & B Div only)
• 11:30am - Breastroke (Age Championship A & B Div + House Points)
• 12:10pm - Butterfly (Age Championship A Div only)
• 1:00pm - Open Age 100m Freestyle
• 1:20pm - Relays
• 2:00pm - Presentation
• 2:20pm - Departure

Hinterland District Swimming
Students who finish in the top two in each of the A division races on Thursday will automatically qualify for the District trials. The trials will take place on 22 February at TSS. However any student who would like to nominate for longer events such as 100m, 200m, 400m events, please email Mrs Alexander “verified times from a recent swim meet”. The majority of club swimmers have a “My Swim Account” and all recent meets are listed. If this cannot be done, the Convenor may not accept entries. Please see Mrs Alexander for further clarification.

South Coast Cricket Trials
Well done to Jackson Grob, Sam Mahoney & Edward Sheppard who all attended the South Coast School Sport Open Boys’ Cricket trials last week. Special mention must go to Edward who was selected as a Shadow player, but was later asked to participate in the QLD School Sport Championships with one of the Metropolitan regions. Well done Edward!

Note: Any boys who turn 13 or 14 this year and would like to trial for the 14 Years’ South Coast Cricket team, please see Mrs Alexander for information this week. The trials are Monday 29 February.

Hinterland District & South Coast Sport Trial Dates
• HDSS Trials 16 Yrs Girls’ AFL, Open Boys’ Rugby Union & Open Boys' & Girls' Volleyball: **Tuesday 9 February**.
• HDSS Trials 15 Yrs Boys' & Girls' Volleyball: **Tuesday 16 February**.
• South Coast Open Boys’ Baseball: **Tuesday 16 February**.
• Hinterland District Swimming Trials: **Monday 22 February**.
• HDSS Trials 15 & Open Girls’ Netball & 15 Boys’ AFL: **Tuesday 23 February**
• HDSS Trials 15 & Open Boys’ Rugby League: **Wednesday 24 February**
• South Coast Cricket 14 Years Boys’: **Monday 29 February**
• HDSS Trials: Open Boys’ & Girls’ Basketball & Football: **Tuesday 1 March**

(please note: HDSS refers to Hinterland District School Sport, 12 Years’ trials begin in March)

Resources Centre...
Just letting you know that Sustained Silent Reading (SSR) is back again this year! SSR is a form of school-based recreational reading, or free voluntary reading, where students read silently during a designated time period. At SMC, we aim to do this for 30 minutes on Friday, for 2 weeks in each 3-week cycle. An underlying assumption of SSR is that students learn more by reading constantly. Successful models of SSR typically allow students to select their own books and require neither testing for comprehension nor book reports.

By now, all students should be happily ensconced in a great read of their choice. As parents, you can help your child enormously by ‘getting on board’ and becoming involved in this programme.
• Please ask your child what they are reading this week.
• Make recommendations to them about what you would like them to read.
• Share great books you have read with the whole family.
• Encourage your child to read for at least 10 minutes each night before going to sleep.
• Join the local library as a family.

However, most of all simply enjoy reading!

Narelle Flanagan - Teacher-Librarian
A big welcome to all new and returning parents to St Michael’s College. We hope your children have settled in well with their classes and friends and are taking advantage of the many activities that are on offer at the College.

We have begun to visit the pastoral classes to introduce ourselves and to explain the counselling service at St Michael’s. Students in Years 7, 8 and 9 are welcome to stop in during a break to make an appointment. Older students in Years 10, 11 and 12 are welcome to email us for an appointment time.

Parents are most welcome to contact the counsellors with any concerns or queries on email (counsellor@stmichaels.qld.edu.au) or phone 55302722 during school hours. If an urgent need arises after hours, the counsellors’ mobile number is 0438184994.

We believe that it is imperative to develop and maintain strong partnerships within the College community. We look forward to helping you support your teen as they grow through the high school years.

Best wishes for 2016.

Heather Clark and Jeff Kemp
School Counsellors

Introduction
The Australian Air Force Cadets (AAFC) is a non-profit youth organization sponsored by the Royal Australian Air Force (RAAF). The organization is open to both male and female youth from the ages of 13 to 20. In Queensland, there are 2 Wings responsible for a number of Squadrons. 2 Wing AAFC, with its headquarters at RAAF Amberley, is responsible for the South Queensland Region, and there are 29 Squadrons and specialist Squadrons. The Specialist Squadrons provide additional experience in Powered Flying, Glider Training, and a 2WG AAFC Band, to name but a few.

Cadets parade weekly, but undertake extra activities on a regular basis (weekends and school holidays). Because of the long tradition and association with the RAAF, the AAFC places emphasis on activities which have aims and objectives such as fostering initiative, leadership, discipline, and loyalty in young people. Skills which will better equip young people for community life, while at the same time providing an insight into the RAAF, an interest in aviation and a possible pathway for a career in the RAAF or Australian Defence Force.

Training and Activities
The AAFC syllabus of training consists of several different levels, and centred around a Home Training or yearly Training programme. Home Training (parades) are conducted weekly at St Michael’s College. During the course of the year the following subjects are taught.

**Induction Training**
An introduction into the Ethos of the RAAF, team building, General Aviation, Drill, Fieldcraft and some leadership skills.

**Basic Stage - First Year**
Service Knowledge; Aviation Knowledge; Aircraft Recognition; Fieldcraft and Drill and Ceremonial.

**Proficiency Stage - Second Year**
Aviation Knowledge; Aircraft Recognition; Fieldcraft; Drill and Ceremonial, and Survival.

**Advanced Stage - Third Year**
Service Knowledge; Aviation Knowledge; Aircraft Recognition; Survival, and Drill and Ceremonial.

**Electives**
After the third year, the cadets may choose additional subjects such as: Weapon handling, Radio Communications, Aero Engines, UAV’s and others.

**Training Exercises**
Training activities are held on a regular basis by the Squadron throughout the scholastic year. These weekend activities are part of the compulsory training syllabus and must be undertaken to qualify for reclassification or promotion. The weekend training exercises give cadets practical experience in life skills. The Squadron staff try to organise at least 4 weekend activities each year.

**Other extracurricular activities**
Additional activities are organised by Wing Headquarters or the Specialist Squadrons and include some of the following; Rifle shooting, and air experience flights out of RAAF Amberley. General Service Camps and promotional courses.

Cadets are also expected to attend ceremonial activities such as ANZAC Day, and Squadron Dining In Nights.

**Flying Training**
The specialists Squadrons also conduct Powered Flying Camps, and Gliding camps. These operations are undertaken at the cadet’s own expense but costs are kept to a minimum for the benefit of the cadets. Cadets can solo in Gliding and Powered flying.

The AAFC also awards a number of scholarships for powered flying and Glider Training each year.

**Promotion Courses**
These are normally held during the school holidays. The courses are generally conducted at RAAF base Amberley. Promotion courses for cadets can be up to two weeks duration. Promotion courses for Corporal, Sergeant, Warrant Officer and Cadet Under Officer are normally conducted during the Christmas school holidays.

**Uniforms**
Cadets are provided with a uniform at no cost, however it is the responsibility of each cadet to maintain the uniform. Uniforms and Equipment issued remain the property of the RAAF and must be returned dry cleaned when leaving the AAFC.

**Parade Timings and Website**
The Squadron parade each week during the school semester from 6.00pm to 9.00 pm. Application forms can be obtained from the following website:
http://www.232sqn.aafc.org.au

**Fees and Costs**
The cost to each cadet is $150-00 per year. The costs normally cover such things as public liability insurance, hiring of transport for certain activities, and administrative costs associated with consumables and purchase of specialist equipment.

**Contact**
For further information you may visit the Air Force Cadets website at:
http://www.aafc.org.au/

You may also like to contact the Commanding Officer, Flight Lieutenant (AAFC) George Bagajluk on 0437 548 917.
Any questions or information required regarding any of the below, please do not hesitate to contact Student Services.

Trudi Neely
Vocational Pathways and Career Coordinator

UNIVERSITY OF SOUTHERN QUEENSLAND
HAVE YOU GOT A PASSION TO MAKE A DIFFERENCE IN YOUR COMMUNITY? The USQ’s Young Leaders Program are holding events at Toowoomba campus on 3 March, and the Springfield campus on 4 March. For further information visit usq.edu.au/inspire. Registrations close on Friday 19 February.

IMPORTANT UMAT 2016 DATES
Any students in year 12 who are considering a career in medicine, dentistry or optometry need to sit a compulsory entry exam known as UMAT (Undergraduate Medicine and Health Sciences Admission Test). Registrations are open now and close 3 June 2016 with the UMAT test being held on Wednesday 27 July 2016. Please apply to universities by the published deadline. If you are in year 10 or 11 start preparing today

MEDENTRY UMAT PREPARATION
Students interested in pursuing medicine and other health courses need to sit the UMAT on 27 July 2016. MedEntry is a government accredited Registered Training Organisations specialising in UMAT preparation. MedEntry offers discounts of 30% for groups, and numerous scholarships. For more information, please visit www.MedEntry.edu.au. Please note that Griffith University and Bond University no longer require students to sit the UMAT test.

TRADE PROGRAM 2016 – GOLD COAST TAFE
There are still positions available to students interested in Certificate II Engineering, Electro-Technology and Automotive at the Nerang and Burleigh campus. Interested students can enrol up until week 3 of Term 1.

GOLD COAST TAFE – INTRODUCTION TO VETERINARY NURSING
Love the idea of pursuing a career with animals but not quite sure where to start? Southport TAFE is offering a 5 week course, starting Monday 15 February from 6pm-9pm. The course will cost $250 and is only applicable to students 15 years and older. For further enquiries please phone TAFE Qld Gold Coast Customer Service on 5581 8300.

ONLINE HORSE COLLEGE – FULLY FUNDED VETIS COURSE
The Online Horse College is offering a Certificate II in Rural Operations (Horse Husbandry Assistant). If you have an interest in horses or may like to work in the rural industry, you might consider this course. Year 10, 11, 12 students are eligible and upon successful completion will gain 4 QCE points towards their year 12 results. For further information visit: OnlineHorseCollege.com/QldSchools or call 3102 5498.

CELEBRATING WOMEN IN TRADES DAY
To celebrate women in trades Busy At Work are hosting a free sausage sizzle to connect with successful trades people and meet industry mentors and teachers at Roma Street Parklands, Brisbane (Amphitheatre) on Tuesday 8 March between 11am – 2pm. To register your interest please email fit@ecapprenticeships.com.au or call (07) 3881-3166 and ask to speak to Heather, Sam or Kim.
