1. STUDENT RESPONSIBILITIES – GUIDELINES FOR USE

As the student participating in the St Michael’s College 1:1 Programme in 2016, you will be responsible to the College as follows:

CARE AND MAINTENANCE

• Students are to ensure the overall care of the device. This will include keeping the device clean and free from graffiti including stickers. Device identification labels must not be removed or damaged.
• Students will have full administrator rights and will be responsible for the ongoing maintenance of the device including software updates.
• Students will be trained to be competent users and maintainers of their assigned device.
• Each device comes in a protective rubber case. This case is to be used AT ALL TIMES. The device must be stored in the soft case provided when not in use.

LOSS, THEFT AND REPAIRS

• Devices are covered by a manufacturer's warranty. This warranty covers defects and does not cover negligence, abuse, malicious damage or any other damage including accidental damage.
• In non-warranty claims where it is assessed by the College that damage is caused by neglect or abuse (for example: water damage or broken screen) the repair charge may be fully payable by the parents. The age of the device and specific damage caused will be taken into account when determining the amount payable.
• Any repairs required to a device are only to be carried out by an authorised repair agent. The College will be responsible for arranging any warranty and insurance repairs deemed necessary.
• Any instances of loss, damage or theft must be reported to the IT Services Helpdesk or Financial Services Department as soon as possible.
• In case of suspected theft, the family must make a police report and the case number to the College along with a signed incident report.
• All hardware and software malfunctions must be reported to the IT Services Helpdesk as soon as possible for repairs to be organised.
• Students will be responsible for replacing lost or damaged USB cables\power chargers.
• If the device is lost or damaged by neglect, abuse or a malicious act, the Principal will determine whether replacement is appropriate and/or whether the student retains access to the device for home use.
• All instances of loss, damage or theft are the responsibility of the student. The cost of repairs or replacement could exceed $1000.00.
• Devices are not to be left in lockers overnight or over the weekend. Any device stolen from lockers outside of school hours, regardless if the locker is locked will be the responsibility of the parents.
EDUCATIONAL PURPOSES

• The device is provided as a tool to assist student learning both at the College and at home. The device is provided as a tool to assist learning and should be used predominately for educational purposes.

• The device comes pre-installed with all the necessary software for student use. Only College approved and legally obtained software is to be stored on the device. Devices found to contain unapproved content or software will be subject to the IT Behaviour Policy. The IT Services Helpdesk will not be responsible for the loss of any data. Non-educational software and data should be stored on the students’ private home computer.

• Students are encouraged to use their device for homework and assessment tasks. However, the loss of data or hardware malfunctions can not be grounds for the appeal of any assessment task or homework.

• For incidents of misuse or inappropriate use, students will be subject to the Terms and Conditions as specified in this document.

• The College will implement regular hardware, software and data inspections to ensure all installed software/applications and saved data are appropriate. The College reserves the right to carry out software, hardware and data inspections of any device at any time.

DATA BACKUP

• The College is not responsible for the loss of any student’s data on the assigned device.

• Students will be supplied with a range of methods for backing up data stored on their device.

• All students will be responsible for the regular backup of their data via the methods recommended by the College.

• Data must be backed up in case of hardware or software malfunctions.

• Students may backup their data to OwnCloud or another cloud storage service. The IT Services Helpdesk will be available to support students to ensure their data is backed up correctly.

GENERAL USAGE REQUIREMENTS

• Student devices are to be brought to school fully charged each day. For safety and logistical reasons, students are not permitted to charge their device at school, this includes in the classroom and the IT Services Helpdesk.

• Students must have all apps closed before entering the classroom. Students found with apps open, which are not related to learning and teaching, will be subject to the ICT Behaviour Policy below.

• The classroom teacher will manage the use of the device in the classroom. The device may not be use in all classroom situations. No student is to take out a device without the permission of the teacher. Students will be shown how to close all applications appropriately.

• When in use, the device should be placed flat on a table or desk, not on laps.

• The student will be able to connect the device to their home Internet as well as install additional home-based printers and scanners.

• Students must protect access to their device by assigning a pin or password. Students must also set the device to lock automatically after an appropriate time, i.e. 1 minute.
ACCESSING COLLEGE WIRELESS NETWORK AND INTERNET SERVICES

- The use of the College Wireless Network and all associated infrastructure are available for educational use only.
- While onsite, the Internet is only to be accessed through the College Wireless Network. Bypassing the College network by any means including 3G/4G or tethering is prohibited.
- The downloading of large files is not permitted due to bandwidth restrictions.
- Specific network settings are not to be removed or altered as this could affect the connection to Internet Services.

OWNERSHIP

- Devices remain the property of St Michael's College at all times, students have use of the device whilst they are enrolled at the College. When leaving the College students are to return the device and accessories in good working order.
- At the end of the life of the device it may become available to the student to purchase, however, this can only occur if all Library books have been returned, College fees are up to date and once a clean image has been installed on the device.
- Students are to use all ICT resources including the assigned device as well as Internet and email services for positive purposes only. Students are not to engage in any behaviour that may harm anyone else, this includes bullying, harassment and being rude or offensive. The College has the right to search student devices at any time if it suspects students of engaging in inappropriate behaviour. Instances of inappropriate behaviour will be subject to the IT Behaviour Policy.
2. INFORMATION TECHNOLOGY ACCEPTABLE USE POLICY

IT BEHAVIOUR POLICY

BEING OFF TASK IN CLASS OR BEING UNABLE TO WORK

For example:
- Accessing any site other than those approved by the teacher, including any Social Media and YouTube.
- Watching TV Shows or movies
- Playing games including iPad apps
- Listening to music (except where permission has been granted by the teacher for academic purposes)
- Not having the device in a state ready for learning. (i.e. not charged)

1st Warning - Matter of Concern

2nd Warning in that lesson - RBR Referral

Subsequent warning or ongoing behaviour issue, referral to eLearning Coordinator. Email student name and description of issue. Interview to be conducted and letter sent home to parents.

NOT LOOKING AFTER THE DEVICE

For example:
- Carrying the device without the protective case
- Having graffiti or stickers on the device
- Removing or damaging identification labels

Weekly check to be conducted in Pastoral - Wednesday

1st Warning - Matter of Concern

2nd Warning - Referral to eLearning Coordinator, letter sent home to parents

Subsequent warning - student will only have access to device during school hours. To be picked up from IT Helpdesk before 8:30am and returned at 3:00pm.

ACCESSING OR DOWNLOADING INAPPROPRIATE CONTENT, CHANGING DEVICE SETTINGS OR BYPASSING COLLEGE FILTERING SERVICES

For example:
- Inappropriate desktop image or screensaver
- Having torrent software installed
- Downloading apps or software not approved by the College
- Changing device name without permission
- Using 3G/4G to connect to internet which bypasses College filtering

Confiscate the device, laptop, iPad or phone. Direct referral to eLearning Coordinator. Email specific details of issue. Interview to be conducted and letter sent home to parents.

Phones handed to student reception as per mobile phone policy, laptops and iPads handed to IT Helpdesk.

NOT LOOKING AFTER THE DEVICE

For example:
- Cracked case or screen
- Missing keys
- Screen hinges not working properly

Email IT Helpdesk (bjerome@stmichaels.qld.edu.au or jrobb@stmichaels.qld.edu.au) and report name of student and description of the damage.

Cost of repairs payable by student. Cost to be determined by Admin and Finance Office.

SERIOUS MISUSE OF IT WHICH IMPACTS ON STUDENTS OR OTHERS WELL-BEING

For example:
- Misuse of Social Media (i.e. Cyberbullying)
- Taking photos of teachers or other students without their permission
- Accessing or possessing any inappropriate content

Confiscate the device, laptop, iPad or phone and hand it to Pastoral Support Leader, a Pastoral Leader or IT Helpdesk. Notify the relevant person in person or by email of the issue and of the student(s) involved.

Please direct any issues or concerns about this document to the eLearning Coordinator.
3. PARENT RESPONSIBILITIES

As the parent/guardian enrolling the student, in consideration of the College accepting the student’s enrolment and in consideration of the College offering to lend a device to the student, you will be responsible to the College as follows:

1. You will pay, with other school fees, a technology levy that is intended to recoup to the College the cost of maintaining the device and associated services. You must indemnify the College against damage to the hardware or associated software on the device except for reasonable wear and tear.

2. In non-warranty claims where it is assessed by the College that damage is caused by neglect or abuse (for example: water damage or broken screen) the repair charge may be fully payable by the parents. The age of the device and specific damage caused will be taken into account when determining the amount payable.

3. You must ensure that the student and any other persons who have possession of the device comply with the Terms and Conditions within this document. These include:
   - Ensuring students fulfil their responsibilities as outlined above.
   - Ensure the student has their device at school each day in a condition that will enable it to be used for learning, this includes the device being fully charged.
   - Comply with the policy of the College in relation to the return/transfer of the device in the event of the student leaving the College prior to the end of Year 12.

4. In addition to this Student 1:1 Program – Policy and Procedures document, parents and guardians permission is sought to allow the students access to Internet and email services. This information is available on the Brisbane Catholic Education website (http://www.bne.catholic.edu.au/aboutus/legals/Pages/StudentConditions.aspx).

5. Parents are encouraged to supervise proper usage of the device at home, especially whilst students are using the Internet. Issues arising at home using social networking sites such as Facebook, Twitter, Tumblr and Ask FM etc., whilst under the parents’ supervision are, in the first instance, the parents’ responsibility.

6. To ensure the device is used predominately for educational purposes. The devices is not to be used for any unauthorised commercial activities or personal gain. Actions performed must comply with any software licensing agreements.
4. CONDITIONS OF USE OF ICT RESOURCES – POLICY & PROCEDURES

POLICY UPDATE

This policy document will be updated as necessary. All attempts will be made to adhere to the Terms and Conditions within this document. However, particular circumstances (such as technological advancements) may require the Principal to depart from the stated policy.

St Michael’s College is bound by legislation and good stewardship of resources to ensure the appropriate use of its ICT resources. Increased legislation relating to ICT is requiring organisations to review their internal policies and procedures to ensure compliance.

ICT resources are supplied in line with the following principles:
- Access to ICT is provided subject to need and availability of resources
- Privacy, confidentiality and respect of the personal rights of others is maintained
- The importance of the cost effective use of ICT is recognised
- Users engage in ethical, legal and responsible use of ICT

i. By accessing and using ICT resources provided by St Michael's College, you are agreeing to abide by the Terms and Conditions within the document.

ii. These conditions apply to all ICT resources used at the College regardless of how they are accessed. This includes access at all installed computers, users own hardware (for example personal laptops, mobile phones or any other similar technology), whether wired or wireless, or over the Internet through users own resources.

iii. While staff and students (in particular ICT staff) may be called upon in the course of their duties to undertake activities beyond those permitted by the terms of this agreement, it is expected that any such activities undertaken must be done in accordance with the spirit of this Policy and Procedures document.

ETHICAL, LEGAL AND RESPONSIBLE USE OF ICT RESOURCES

iv. St Michael’s College requires all users of its ICT resources to do so in an ethical, legal and responsible manner.

v. Users of St Michael’s College ICT resources must be aware that use of these resources are subject to the full range of laws that apply to the internet, communication and to the use of computers, and St Michael’s College policies and procedures. Such laws and principles include user obligations in relation to copyright, intellectual property, breach of confidence, defamation, privacy, bullying/harassment, vilification and anti-discrimination legislation, the creation of contractual obligations and other civil and criminal laws.

vi. Users will ensure that all communication through the Internet and other online services is appropriate and ethical at all times. Users are held responsible for their actions while using the Internet and online communication services.

vii. Users will never send or publish:
- Threatening, bullying or harassing information about another person or make excessive or unreasonable demands upon another person.
• Unacceptable or unlawful material or remarks, including offensive, abusive or discriminatory comments about another person.
• Sexually explicit or sexually suggestive material or correspondence.
• False or defamatory information about another person or organisation.
• Information that claims to be from another user.

viii. St Michael's College ICT resources must not be used for unauthorised commercial activities or unauthorised personal gain. Actions performed using St Michael's College ICT resources must comply with the terms of any licence agreed to for the use of software programs and other online resources.

COPYRIGHT AND INTELLECTUAL PROPERTY RIGHTS

ix. Users must not, through the use of St Michael's College ICT resources, copy, download, store or transmit material that infringes copyright or the intellectual property rights of others. Such material includes music, television shows, movies, games and any other form of media.

x. Users should be aware that actions performed using computer and network resources, regardless of any disclaimers that might be made, ultimately reflect on our education institution and community as a whole. This is particularly relevant where users post or submit material in a way that makes it publicly available over the Internet.

ACCESS, SECURITY AND PRIVACY

xi. Users must acknowledge that the device is provided as a tool to assist learning and teaching within the classroom and at home. Users need to ensure that any personal use is appropriate and in line with the terms and conditions of this document.

xii. Users have a role to play in ensuring the security and privacy of information transmitted by use of the ICT resources. Users need to ensure their device is kept secure at all times.

xiii. Users must protect systems, information and accounts by:
• Choosing secure passwords and pin codes that are changed regularly. A secure password is one that is difficult to guess, for example, containing a combination of letters and numbers and not simply a name or date of birth.
• Using access to ICT resources only as authorised.
• Respecting the privacy and confidentiality of information that they may come across through access to resources.
• Only downloading, installing or using authorised software.
• Reporting any breach or prospective breach of network security to the ICT Services Help Desk.

xiv. Users will be held responsible for any breach cause by them allowing another person to access the Internet or online communication services using their assigned device.

xv. Unacceptable conduct by users which could result in a breach of security or privacy includes:
• Disclosing your username and password details to another person
• Disclosing other private or confidential information to unauthorised persons.
• Gaining unauthorised access to any system by any means.
• Using St Michael’s College ICT resources to attack or compromise another system or network.
• Downloading, installing or using unauthorised software programs.
• Deliberately installing computer viruses or other malicious programs.
• Accessing or intercepting others electronic communications without permission.

xvi. Users should not, as a general rule, display personal information about themselves in a way that is publicly available. Where such disclosure is made through authorised avenues (for example, by the use of email or an official website), users should be aware that invasions of privacy may sometimes occur and it is outside St Michael’s College control to prevent such instances from occurring.

xvii. Users are reminded that email should be used to send sensitive and confidential information. Users should never knowingly initiate or forward emails or other messages containing:
• A message that was sent to them in confidence.
• A computer virus or attachment that is capable of damaging a recipients’ computer.
• Chain letters or hoax emails.
• Spam including unsolicited advertising material.

xviii. Users must be aware that the operation and maintenance of ICT systems often requires the backup and caching of data, the logging of activity and the monitoring of general usage patterns and as such, complete confidentiality and privacy cannot be guaranteed. St Michael’s College may also be required to inspect or provide copies of electronic communications where required by law, or where the investigation of possible misuse of ICT resources is required.

xix. Access to the network and Internet is only available through the College Wireless. Bypassing the College Wireless network in any way including 3G/4G or tethering is prohibited.

**Additional Conditions Relating to Specific Resources**

xx. The use of email, Internet and Web Publishing tools are subject to additional conditions of use that must be read in conjunction with this document. These are available on the Brisbane Catholic Education website. (http://www.bne.catholic.edu.au/aboutus/legals/Pages/StudentConditions.aspx)

**Breaches of these Conditions of Use**

xxi. Any breach of these Terms and Conditions will be taken seriously and will result in disciplinary action being taken.
Examples of possible consequences range from loss or restriction of access to ICT resources to formal disciplinary action for breach of the College Discipline policy for students. Cases of serious, deliberate and/or criminal breaches will be referred to external authorities and may result in civil or criminal proceedings.
5. CYBER-SAFETY AGREEMENT

All members of the St Michael's College community have a zero tolerance for any type of Cyber-crime. This includes both the perpetrator and any witnesses who choose not to take action or report the incident.

Being cyber-safe and responsible users of communication services is an expectation of all members of St Michael's College.

As a student I agree to the Terms and Conditions of this document in relation to appropriate use of ICT resources and appropriate behaviour online. This includes:

- Using the device predominately for educational purposes and ensuring all use is ethical, legal and responsible.
- Ensuring all communication is appropriate at all times. I understand that I am responsible for my behaviour and actions while using the Internet and online communications services.
- Understand that as a user of ICT resources I am subject to the laws and user obligations in relation to copyright, intellectual property, breach of confidence, defamation, privacy, bullying\harassment, vilification and anti-discrimination legislation.

As a parent/guardian I will:

- Read this Policy and Procedures document carefully and discuss it with my child so we both have a clear understanding of our roles within the College to maintain a cyber-safe environment.
- Encourage my child to follow cyber-safety strategies and as suggested by the College.

St Michael's College will endeavour to:

- Enhance learning through the safe use of ICTs. This includes working to restrict access to inappropriate, illegal or harmful material on the Internet.
- Enforcing Cyber-safety requirements detailed in the Terms and Conditions within this document.
- Respond to any breach to the Terms and Conditions in an appropriate manner.
- Provide members of the College community with cyber-safety education.
- Welcome enquiries at any time from parents/guardians or students about cyber-safety issues.
6. STRATEGIES TO HELP KEEPS STUDENTS BE CYBER-SAFE

Parents\guardians play a critical role in developing knowledge, understanding and ethics around their child’s safety. Being cyber-safe is no exception and we invite you to discuss with your child the following strategies to help stay safe when using ICT at the College and at home.

1. I will not allow anyone else to access my device. I will keep my login details private.
2. I will inform a staff member if I feel like I am being bullied or harassed online.
3. I will use the Internet, email, mobile phone or other ICT resource only for positive purposes. I will not be mean, rude or offensive. I will not bully, harass, or in any other way harm anyone else or the College even if it is meant as a joke.
4. I will use my mobile phone only at the times agreed by the College.
5. I will only go online or use the Internet at the College when a teacher gives permission.
6. I will only access appropriate material.
7. I will share any material that is deemed inappropriate.
8. I will not bypass the College network by any means this includes 3G/4G and tethering.
9. If I accidently access inappropriate material I will immediately inform a staff member.
10. To ensure compliance with copyright laws, I will not download or copy files such as music, videos, movies, television shows or games. If I infringe the Copyright Act 1968, you may be personally liable under this law.
11. Use privately owned ICT equipment\devices, such as laptops, mobile phones, USB or portable drives brought to school is also covered by the Terms and Conditions of this Policy and Procedures document.
12. I will not put any personal information online, this includes:
   i. My full name
   ii. My address
   iii. My date of birth
   iv. My phone numbers
   v. Photos of me or people close to me
   vi. The name of the College
13. I will not accept friend requests or befriend people I do not know personally.
14. I will not share personal images online.
15. I will lock down my social media accounts so only close friends and relatives can access personal information.
7. ICT ACCESS TO RESOURCES CONSENT - STUDENT

These terms and conditions must be accepted prior to students being granted access to their device, the Internet and other ICT resources.

Students are encouraged to review and discuss the Terms and Conditions within this document with their parent/guardian who should be able to answer any questions you may have.

The student is agreeing to the Terms and Conditions within this document. Students acknowledge that they will be responsible in the event of any breach and that appropriate disciplinary action may result.

**STUDENT USER ACCEPTANCE**

I, the student named below hereby agree to comply with all terms and conditions set out within this document. I agree to adhere to all other relevant laws and restrictions regarding access to the various ICT resources made available through the Brisbane Catholic Education and St Michael's College network.
8. STUDENT ACKNOWLEDGEMENT

I confirm that I have read, understood and agree to abide by the terms and conditions within this document. I also agree to the following conditions:

1. The College is at all times the legal owner of the device

2. That all usernames and passwords are confidential and they will not be disclosed to others

3. That I will secure the device by setting up a PIN/Password which will also not be disclosed to others

4. That I will set the device to lock automatically after an appropriate length of time (i.e. 1 minute)

5. That I will keep the device in the protective rubber case at all times and in the soft case when not in use.

6. That the device was tested before I took possession of it and was operating correctly with respect to both hardware and software

7. I will return the device and accessories (including USB cable and charger) to the IT Services Helpdesk one week prior to leaving the College. I understand that if the device is not returned it may become a matter for the Police.

8. I confirm I have received the following the device in good working order along with all associated accessories.
9. ICT RESOURCES ACCESS CONSENT FORM – PARENTS

As the parent or legal guardian of the student named in this document, I grant permission for the student to access the various ICT resources made available by Brisbane Catholic Education and St Michael’s College including the assigned device, Internet and email services.

I understand that access is granted to students subject to the Terms and Conditions within this document. I also understand that if breached, appropriate consequences will follow which may include a financial cost to the parents.

I acknowledge that some material available on the Internet may be objectionable and that in addition to the Terms and Conditions within this document, I have discussed appropriate restrictions for the student when accessing or sharing information or material over Internet.

I understand that the device remains the property of the College at all times. I give permission for the College to search devices at any time if it suspects students of engaging in inappropriate behaviour of any sort.

I agree to supervise proper usage of the device at home, especially whilst students are using the Internet. I understand that issues arising at home using social networking sites such as Facebook, Twitter, Tumblr and Ask FM etc., whilst under the parents’ supervision are, in the first instance, the parents’ responsibility.
