Message from the PRINCIPAL

Dear parents, carers and friends of St Michael’s,

I would like to wish all of our families the best for the upcoming holidays. I pray that you have a safe and enjoyable break.

Please remember Term 4 begins on Tuesday, October 4, as we have the Queen’s Birthday Public Holiday on Monday, October 3. There is also a Student Free Day across Queensland on Monday, October 17 so that staff can attend panel meetings to moderate Year 12 students’ work.

In Term 4, we welcome back Mrs Nina Carroll who returns to us from Maternity Leave and farewell Mr Luke Kang who has been filling in for Mrs Carroll. I would like to thank Mr Kang for his dedication and support of many events, including coming away with our Confraternity squad. I wish Mr Kang all the best. I would also like to thank Sue Cole, Annette Kavanagh and Anthony Clark who will finish up after completing contracts for staff on leave.

In an earlier newsletter, I also farewelled and thanked Miss Amandine Coquiere who will head off to help with French language studies across the state, Mr Justin Robb who will be heading overseas and Mrs Josephine Simpson who is retiring to care for a family member. We are currently filling their positions for next term.

Mrs Tara Alexander will also take leave next term as she undergoes surgery. I would ask that you keep Mrs Alexander in your prayers. I would like to thank Mr Corbin Levick for taking over the role of Sports Leader.

I would also like to thank Mrs Janovsky, Mrs Lancaster, Mrs Smith, Mrs Laffranchi and Mr Levick who have stepped up to fill in for Mrs Petherbridge and Mr Eisenhuth who will return from leave next term.

Congratulations to our 2017 Student Senior Leaders. It is exciting to have another strong and talented group of Senior Leaders to follow on from our current leaders.

We have had concerns from McDonalds about students being left there for hours after school awaiting pick up by parents and carers. Beyond the child safety concerns, these students sometimes get bored and can be a nuisance to other patrons. **I would ask parents and carers not to use McDonalds as a child minding service outside of school hours.** Students needing to wait for parents and carers should remain at the College and at study or in the library. If parents and carers are having issues with after-school care, then you will need to look at other community alternatives. Please remember that the busiest afternoon pick up time is from 2.55 – 3.05pm. Pick up after 3.05pm is a lot easier.

There are a number of new Child Safety resources which have been released as part of Child Safety week. The Daniel Morecombe Foundation has released a new parent video on Cybersafety which is [http://www.recognisereactreport.com.au/videos_cs_for_parents.html](http://www.recognisereactreport.com.au/videos_cs_for_parents.html)

Our P&F is sponsoring a parent presentation on Understanding Teenage Sexuality with trained presenters from **6.30 - 7.30pm on Monday, Oct 10.** There will be light refreshments available from 6pm. This session is aimed at supporting parents/carers to understand, communicate and support their children around healthy relationships and sexuality. Take-home hand outs are provided to parents who attend. Some of the issues covered will include: Healthy relationships, safety online, puberty, legal age of consent to sexual activity, STIs, safe partying/safe dating, personal safety and body image. Strategies will be provided on how to answer questions from your child about sex.

Yours in Christ

**Message from the ASSISTANT PRINCIPAL STAFF & STUDENT DEVELOPMENT**

It’s about the language we use ………

The language of resilience generally refers to coping strategies such as empathy, humour and acceptance. Bringing realistic type vocabulary into your everyday language can assist building your child’s strengths for the future, while helping them cope with present difficulties and challenges.

Many young people talk in extremes such as “awesome”, “the best” and “the worst”. Unfortunately extreme language leads to extreme emotional responses. Develop the habit of winding back the language by introducing shades of grey, rather than black and white. For example tone down the phrase “I’m furious” with “I’m annoyed”; or “It’s an absolute disaster” with “It’s a pain”. Realistic language leads to realistic thinking, which helps young people handle more ordinary situations that they have blown out of proportion.

If your children remind you in your advancing years to “hang in there” or “this will pass soon”, then you will know you’ve drummed into your children some important core messages that have stayed for life.

**Message from the CREATIVE AND PERFORMING ARTS FACULTY**

Dance success for students at St Michael’s!

Both Emily and Megan Totman (Year 8 & 10) have qualified to dance at the National Finals for the Get the Beat Dance Competition on the Sunshine Coast during the September school holidays in various genres including Jazz, Musical Theatre, Lyrical, Ballet, Demi-Character and Contemporary.

Megan has also been accepted as a Full Company Dancer for 2017 in the Brisbane City Youth Ballet and will be performing in the “Magic Faraway Tree” production with them in January 2017.

We wish the girls luck in their upcoming dance adventures,

Emma Steward
Creative and Performing Arts Faculty Leader

**SNOW TRIP**

Turoa currently has a base of 201cm and 15-30cm of fresh powder. We are certainly looking forward to an epic time in New Zealand this year.

Our departure from St Michael’s on Friday is at 5:00am so make sure you have set the alarm, are packed ready to go and have your passport handy for teachers to see before boarding the bus. Also ensure you meet the guidelines for liquids, aerosols and gels. Your checked luggage needs to be less than 30kg so if you’re planning on buying lots of gifts to bring back for the family then keep that in mind too.

Mr Rob Ford
Message from the SPORTS DEPARTMENT

Annual Sports Presentation Afternoon
Our annual Sports Awards take place on the first Thursday of term four, October 6 from 1pm. The afternoon recognises all students who match the below criteria:

- selected by their AGCC Coach as a recipient of a team award. AGCC Award.
- Students who have represented the College at a regional level (highest level of representation) will receive Sports Achievement medals.
- Best & Fairest and Coaches Awards for SMC representative teams.

Please note that all students who go on to compete at a QLD School Sport event or have been selected in a QLD Merit team will receive Sports Excellence Pins on Awards night.

Rec Sport
Parents and students are reminded that Rec Sport registrations and payments began last week. Full payment and forms, including waiver forms need to be handed in at the Main office for students registration to be processed. Activities will be allocated on a first in first served basis, with all forms having to be handed in by Friday September 16.

Congratulations
Well done to Bailey Clark (Year 9) who was recently selected in the Gold Coast 15 years hockey team. He will travel to Mackay in the school holidays to contest the QLD titles.

Thanks & Goodbye
I would like to thank all students for their efforts this year so far in any capacity that they have represented the College. I am finishing up at the end of the week as I am taking leave until the beginning of 2017. I will most definitely be in attendance at the Graduation in November to wish our graduates all the very best for their future.

Sport Program Leader
Message from the HPE FACULTY

What's going on?

Year 11 HPE have their final practical assessment on Monday September 12 and the Year 12 HPE final practical assessment is on Wednesday September 14.

Well done to the following two students who absolutely excelled in their Year 9 HPE test:

Zoe Haines A+ (zero incorrect)       Sterre Recoules A+ (1 minor error)

Gym
Parents and students are reminded that the gym is open on a Tuesday and Thursday afternoon, 3:00pm – 4:00pm. Students are asked to bring a full change of clothes, a towel and water bottle to every gym session.

Healthy Hints
Get support! Enlist a workout buddy, join a walking group or take an exercise class. Having others around keeps you from skipping days or cutting corners, literally.

Lastly, enjoy your vacation, be safe, and look forward to seeing everyone again next term.

Clinton Daddy
HPE Faculty Leader

Message from the MINISTRY TEAM

The Ministry Team have had a very busy and exciting term with many events, including the recent Year 9 Spirituality Day on NAIDOC. The Youth Group is continuing to meet on a Tuesday at our lovely space of the Chapel, 3 - 4:30pm. Thanks so much to the Year 12 Leaders who have helped lead over the term, especially Alissa Ternel-Picton and Paul Deguara. I want to thank Mr Andre Michael who has also helped run the program. We would love to see some new students join us in term 4.

It has been wonderful to see St Michael’s College Liturgy Band emerge and grow this year. The students have worked hard in rehearsals over the term and lead some engaging and beautiful music at our school Masses and our House Masses at Sacred Heart Church. Well done to all students!

Last Wednesday morning for pastoral prayers we celebrated the Sainthood of Mother Teresa, with a special reflection on her amazing life. We reflected on a number of her inspirational words including “Not everyone can do great things, but we can all do small things with great love”. With this in mind, I wish all our students and families a safe, refreshing and happy holiday!

Teen Topics

Sexuality

Sexuality is a complex aspect of our personality and self. It refers to sexual feelings as well as behaviour. It is important to remember that sexuality is a vital aspect of a teenager's life and that a teenager who goes through puberty has the same hormones and the same hormonal drive as adults. It often takes years for a teenager to grow into their sexuality. During this time many teenagers feel confused over their feelings and attractions. While most teenagers come to identify themselves as heterosexual, some identify with homosexuality, and still others identify themselves as being bisexual. It is important to remember that the human race is full of subtle and profound differences and that sexuality is just one part of the person.

What to do:

Many parents worry about teenage sexuality. They are unsure of what to do or say and they hope their teenager is educated appropriately in health education school programs at school. However, studies have shown when parents are open about discussing sexuality their teenager is less likely to engage in risky sexual behaviour. It is therefore important for you to talk openly and honestly with your teenager about the whole area of relationships, knowing that the more knowledge your teenager has the more they are effectively equipped to make good healthy choices. One possible way to initiate such discussion is to ask about what is being said at school about relationships and sex, saying that you need to know that they are safe. Ensure your teenager knows that relationships should not be forced or unpleasant experiences, that good relationships involve mutual respect, honesty and trust and that they need to know how to avoid unsafe situations. If you discover your teenager has been engaging in risky behaviour do not over-react, threaten or blame your teenager. Try to remain calm and assure your teenager you will never abandon them and that you will support them in assessing all options available to them. If you experience difficulty in communicating freely with your teenager in regard to sexuality give them specific reading material and/or appropriate website addresses or encourage them to confide in a trusted adult. It is vital at this time of development for a teenager to have the support and understanding as well as guidance from their parent. Remember your teenager is the same person regardless of sexuality.

Please do not hesitate to contact the College Counsellors if we can assist in ensuring the wellbeing of your teenager.

With best wishes

BLAZER FITTING FOR YEAR 10 STUDENTS

Letters have been posted to all parents of Year 10 students, regarding the dates for blazer fittings. Blazers are compulsory for all Senior students in Year 11 & 12.

NEW BLAZERS
For those students continuing onto year 11 in 2016 who would like to purchase a “New Blazer” we will be holding fittings from Tuesday 4 October to Friday 7 October 2016 in the Uniform Shop. Parents are not only very welcome, but are also encouraged to accompany their child for this very important selection process of a suitable size blazer. New blazers will be available for collection on the Uniform Day in the first week back from school 2017.

SECOND HAND BLAZERS
A list of the current Year 12 students who would like to sell their blazer second hand is on the window of the Uniform Shop. Please feel free to inspect this list or see Mrs Chouja for a copy.

It is expected that all Year 10 students continuing onto Year 11 in 2017 have a blazer organised either NEW or SECOND HAND before the end of October. Senior students will be required to wear their blazer for the Opening Mass at the commencement of the school year in 2017.

If you have any queries, please contact Mrs Chouja on 5530 2722 extension 2017.

Message from STUDENT SERVICES

On Tuesday August 30, while around half of our seniors sat for the QCS test, the other half were involved in an action-packed Day in Careers. Highlights of the day were:

- Mr Brendan Anderson and some of his team from Robina Realty speaking to the students about life beyond year 12. Renting ‘dos and don’ts’, receiving your bond back, the application process, tenants’ legal rights and responsibilities, just to name a few of the major topics covered. Brendan also spoke about his rise within the real estate industry and offered advice for those considering this as a potential pathway.
- Mock interviews – what a fantastic opportunity! Eight industry professionals gave up their valuable time to facilitate a series of simulation interviews and the feedback was fantastic. Students are yet to find out whether or not they “got the job”, this will be revealed at our VET Celebration Evening, which will be held during week two of term four.
- Group metafit class! If the students hadn’t sweated it out enough, being put under the microscope through the interview process, Tristan St Leo - our resident personal trainer - certainly made sure they didn’t go home without the need for a fresh change of clothes! After speaking of his experiences and advice about careers in the fitness industry, the students were put through their paces, which left a number of people exhausted. Most importantly, each student had a smile on their face and it certainly capped off an amazing day.

A huge thanks must go to our special guest presenters Brendan and Tristan, and also how could we forget our extraordinary interviewers: Graham Sunderland, Kathryn Westcott, Ann St George, Lynda Griffith, Rosie Dunn, Bronwyn Saunderson, Justine Jenkins and Dean Gutteridge. Last but not least, Mrs Ariana Mateariki for all of her behind the scene work in helping the day run so smoothly. I am already looking forward to next year and how we can make the day bigger and better!
