Message from the **Principal**

**Dear Parents, Carers and friends of St Michael’s,**

Given the current hot weather conditions, **we are allowing our students the option of wearing their sports uniform** on the days they would normally wear their formal uniforms, just until this hot weather passes. We will let parents, carers and students know when we will return to our normal pattern with uniforms. **Please be aware that students with practical classes (eg Manual Arts and Home Economics) will need to continue to bring their leather shoes to these lessons for Workplace Health and Safety reasons.**

I would encourage all families to please assist us by ensuring that your children have their College caps and a water bottle with them each day.

Last week was a huge week for St Michael’s College with many great events:

- Thanks to Mrs Forsyth and all who are looking after our French exchange students from Dunkirk. Our French sister school is called “Our Lady of the Dunes” in English, which is a beautiful name.
- Thank you to Mrs Lancaster and helpers for organising a very informative Year 7 Parent Information Evening. We have had lots of great feedback from parents about this evening and about Mrs Lancaster’s care of our new Year 7s.
- On Tuesday, we had our beautiful Opening Mass and Induction of Student Leaders. I would especially like to thank Fr Nicholas, Mrs Petherbridge, Mrs McGeough Beach, Mr van den Driest and all of the staff and students who provided music, read, set up and ran our AV, served and helped in any way.
- I would like to thank our College’s P&F, pastoral and admin staff and Mr van den Driest for the very warm welcome extended to our new families at our Welcome Afternoon.
- I would like to congratulate Shannon House on winning our College’s Annual Swimming Carnival and thank Mr Levick and all of the staff and student helpers who made our carnival such a successful one.
- Finally, I would like to thank Mr May and all of the staff who worked with our Year 9 Leaders at their Leadership Conference.

I would like to remind all of our current families that **enrolments are closing fast for Year 7 in 2018.** At this stage, we only have a handful of places left. We are also taking enrolments now for Year 7 in 2019, so I would ask all current families intending to enrol a student for Year 7 in 2019, to put in your applications ASAP. Current families have guaranteed priority enrolments for 2019 up until our Open Morning which will be held on Saturday, May 13.

I would like to publicly thank Mrs Cameron for her stellar effort in producing such a beautiful **2016 College Yearbook.** For anyone who hasn’t been involved with producing school magazines, it would be hard to imagine the labour of love that goes into producing this publication. I am also very pleased that for the first time in recent years, our 2016 Yearbook covers the entire year from start to finish including events like our Formal and Awards Evening which have not been a part of previous yearbooks. I believe that it is worth waiting until we return to school to get a magazine which truly covers the entire school year.

Yours in Christ

Mr Michael Nayler
Principal

Year 9 Cohort Leadership Day

**Monday February 20**
Hinterland District Swimming Board Meeting 7pm

**Tuesday February 21**
Harmony Day
Year 12 Information Evening 7pm

St Michael’s College respectfully acknowledges that we are on the sacred lands of the Kombumerri clan of the Yugambeh people.
Message from the DEPUTY PRINCIPAL

We are now well underway with Term 1 and with the busyness of life, the summer holidays are by now a distant memory. We have had a busy but very positive start to the school year. Last week we welcomed our new families to the College and hosted a Year 7 parent information evening. We have also had a swimming carnival, opening mass, College photo’s, excursions and much more. In the midst of all this activity, I am pleased with the way our students have started their academic studies. Classrooms are productive and settled. Homework, assessment tasks and home study are now well underway and students have quickly adapted to the routine of school.

Uniform
There is an expectation that all students come to school dressed and groomed according to the College uniform code outlined in the College Planner. The way our students wear their uniform is a direct reflection of the expectations set by our College community. Their presentation reflects the pride and sense of belonging that comes from being in a school community with high standards. Additionally, a clear and supported uniform code is about treating all students equitably.

While we understand that the teenage years can be a time when students like to challenge boundaries, it is most important at this time that the College and parents work collaboratively to maintain standards. Interestingly, many of the students who are challenged about their appearance or uniform non-compliance are more than happy to wear the complete uniform when they present for work at one of the fast food outlets. Clearly the lessons of good presentation are important and at St Michael’s College we expect high standards in this regard. The aim of our College dress code is to enable all students to dress neatly, smartly, economically and appropriately for their work at school. In 2017 we have raised the standard in relation to student presentation in uniform and I thank parents for their support in this regard.

A reminder to parents and students of the following uniform expectations:

- Shoes worn with the sports uniform must be either a cross trainer or running shoe. Vans, converse, skate shoes or any other casual court shoes other than a cross trainer/runner are not a part of the College uniform and provide insufficient support.
- Hair that is on the collar and longer must be tied back at all times for both males and females.
- Girls may wear sleepers, gold or silver stud. One per earlobe. No earings for boys whilst in College uniform. We understand and acknowledge that students may have other piercings, however whilst at school and in school uniform we ask students not to wear these earings. Clear studs or a band aide covering the piercing is not sufficient.

The Importance of good routine and Homework – A common message at all Parent Evenings
Homework is clearly a critical aspect of academic growth. We sometimes hear students say that they have got no homework. A check of the College diary would show that the homework they are talking about is only one part of the homework picture – activity or tasks set by their teacher. In a secondary school, setting homework comprises more than assigned tasks set by the teacher. The QLD Department of Education and Training (1998) states that homework:

- is an essential part of schooling.
- allows for practising, extending and consolidating work done in class.
- provides training for students in planning and organising time.
- develops a range of skills in identifying and using information resources.
- establishes habits of study, concentration and self-discipline which assist lifelong learning.
- assists in strengthening home-school links.
- reaffirms the role of parents and carers as partners in education.
- provides parents and carers with insights into what is being taught in the classroom and the progress of their children.

Clearly the purpose of and ultimately the benefits of homework are broader than the completion of set exercises. While there is currently some debate in media around the value and purposes of homework, the research is clear on two points. Firstly, parents expect schools to set and check homework and secondly the crowded nature of the high school curriculum requires students to complete work outside of school hours. While there is some debate about at what age we should begin requiring students to do set homework, there is almost universal recognition of the need for students to have a well organised home study regime in order to be successful in secondary school.

St Michael’s College expects that students grow into self-directed responsible learners. This means that they need to take responsibility for managing their own learning. It is for this reason that the completion of tasks or activities set by the teacher make up only one part of the homework story. Independent revision, working on assignments and wider reading around the topics in each subject all form part of the independent learning aspect of home study. There is also importance for reading for pleasure – reading that is not directly related to school work. The College last year and again this year will devote time to the SSR (Sustained Silent Reading) Program whereby students and staff will engage in 20 minutes of silent reading each week on the material of their choice. The program is designed to help students to engage and develop a love for reading as well as improve their literacy. I encourage parents to discuss their child’s reading content with them and to also discuss homework expectations with their children.

Ms Veronica Wasiak
Deputy Principal
Message from the **ASSISTANT PRINCIPAL CURRICULUM**

**Learning Environments**
Over the recent school holidays, a number of classrooms were enhanced to facilitate more collaborative and creative learning. Aside from new carpets, the classrooms were refreshed through with painting and placed acoustic fabric on walls, increasing the amount of wall display. Rooms were furnished with a variety of furniture that will allow our learners to work in different areas designed to accommodate for varied learning styles and to enhance active and engaging learning. The furniture enables students to work in a variety of areas enabling them to move around, work at tables, on the floor using pods, in small group settings, as well as standing. As tables are on castors, the configuration of the classroom can be more easily changed to suit the learning experiences. Flexible learning spaces empower students to understand themselves as learners so they can apply different learning techniques depending on the task and outcome.

**Assessment calendars**
All year level assessment calendars will be available by Wednesday February 15, on the College Parent Portal. Parents and carers, please use these calendars to assist your son or daughter with organisation and preparation for assessment tasks.

In the Senior school, there are assessment blocks for Year 11 and 12. At the end of this term, there are four scheduled days for common assessments. All students are expected to be at school on these days.

For the end of the semester, an assessment block is scheduled where students attend only when they have scheduled examinations or other assessment. Failure to attend requires a medical certificate.

---

**Year 12 Information Evening**

Tuesday February 21

7pm in the MPC

All Year 12 parents/carers and students are invited to attend the information evening.

The purpose of the evening is to inform you of the Year 12 procedures and how to get the most out of the final year of your son or daughter's senior phase of learning

---

**Year 11 Information Evening**

Monday March 6

7pm in the MPC

All Year 11 parents/carers and students are invited to attend the information evening.

The purpose of the evening is to inform you of College expectations for senior students and the processes that are required to be successful in senior studies.

---

Mrs Kathryn Janovsky
APC
Message from the ASSISTANT PRINCIPAL RELIGIOUS EDUCATION

Year 12 parents should have received a letter about the Year 12 Retreat through email last week. All Year 12 students are to attend the Retreat from March 15 to 17 at the Alexandra Conference Centre at Alexandra Headland. Mr Michael Fitzpatrick, an experienced facilitator, will work with students during Thursday March 16 and staff from the College will run sessions on the other days. Students in the past have reported that this Retreat is a significant experience for them and it provides an opportunity for reflection and also for coming together as the Senior Class of 2017. Parents need to complete the permission forms with the letter and return to the College by Thursday February 23. Copies of the letter and permission forms are available at Student Reception at the College if any Year 12 family has not received the correspondence by email.

Monday February 13 is known as Sorry Day as it is the anniversary of the Apology to Indigenous Australians delivered by Kevin Rudd as Prime Minister of Australia on February 13, 2008. A lot has happened during the past nine years in Australia. The process of Reconciliation with our first Australians continues. Our prayer for this week is the Indigenous Our Father printed below.

Indigenous Our Father
You are Our Father, you live in heaven
We talk to you, Father you are good (repeat)
We believe your Word Father
We your children, give us bread today (repeat)
We have done wrong, we are sorry
Help us Father not to sin again (repeat)
Others have done wrong to us
And we are sorry for them, Father today (repeat)
Stop us from doing wrong, Father
Save us all from the evil one (repeat)
You are Our Father, you live in heaven
We talk to you, Father you are good (repeat)

The Lord’s Prayer from the “Missa Kimberley”
Copyright applies. Diocese of Broome, Western Australia.

Message from the JUNIOR SECONDARY CURRICULUM LEADER

Our Junior Secondary Leaders were officially commissioned last week at our Opening Mass.

On Friday February 10, these students attended a leadership conference. This conference assisted them for the year ahead. We wish them all the best for 2017.

Mr Jacob May
Junior Secondary Curriculum Leader

Thursday Sport
This week our 2017 AGGC competition starts up with a new look. Along with our standard Thursday interschool competition which allows students to participate and enjoy physical activity in a supportive team based environment, we are also trialing our new Focus Programs. Last year in Term 4 students were given the opportunity to choose from a range of sports with new Focus Programs added. Our new sport Focus Program for 2017 will provide students with the opportunity to be part of an enthusiastic and supportive team environment where students are committed to achieving excellence through competitive sport. By incorporating physical development through skill and team based training, students will be instilled with the discipline and work ethic required to succeed in their chosen sport. All students in the program will satisfy behaviour, curriculum and College uniform expectations through demonstrating the College pillars on and off the field. This program will be conducted on Thursday afternoons by highly experienced and trained coaches/ staff members who hold a coaching qualification. The St Michael’s Sports Focus Program is a coaching program developed for talented students that empowers them to pursue and achieve their sporting goals.

If you have any questions regarding this program, please do not hesitate to contact me via email at clevick@stmichaels.qld.edu.au or at the College on 5530 2722.

Mr Corbin Levick
Sports Coordinator
Message from the HPE FACULTY

What's going on?
All year levels are now settling down into their respective classes. The students focus should be on having a go and performing at their best. Assessment tasks will be handed out and explained to Year 7, 8, 9 and 10 students shortly. Senior students are aware of their assessment expectations. More specific details will be explained as the term progresses.

Gym 2017
Parents and students are reminded that the gym is open on a Tuesday and Thursday afternoon from 3pm – 4pm. Students are asked to bring a full change of clothes, a towel and water bottle to every gym session.

Healthy Hints
Get support !!! Enlist a workout buddy, join a walking group or take an exercise class. Having others around keeps you from skipping days or cutting corners, literally.

Mr Clint Daddy
HPE Faculty Leader

RESOURCE CENTRE

Well the year is certainly in full swing again in the library. It is great to see all our new students so keen to find a quiet spot to read a book or catch up on some school work. Whilst we are very sad to be losing Mrs Beth Erskine and Mrs Gina McPherson from the library, we are very pleased to be welcoming two new library members to the team, Mrs Barbara Kristo and Ms Courtney Gibbons.

Please ask your child to show you the library icon on their iPad or laptop so that you can email us if there is anything you would like to know about the library.

1-Minute Film Competition 2017
This competition provides Australian and New Zealand Primary and Secondary school students with the opportunity to make a 1-minute film or animation, and win up to $500 in the process. The theme for this year’s competition is ‘Tomorrow’. Students are encouraged to be creative with the theme: they can include it in their film as a spoken line, in the background, as a caption, or in other creative ways. To enter, students must create a 1-minute film and submit it to one of the following four categories:

- Lower Primary (Years F-3)
- Upper Primary (Years 4-6)
- Lower Secondary (Years 7-9)
- Upper Secondary (Years 10-12)

The 1-Minute Film Competition website includes the full rules of the competition and the online entry system. Please do not hesitate to contact ATOM for more information about this competition at 1mfc@atom.org.au.

Please click on the following link to access our exciting selection of Latest Reads. As this is a protected site, students may need to login, using their network username and password. If you can’t find what you’re looking for here, why not access Best Reads Ever for the genre of your choice. This collection is updated weekly and allows students to search for new fiction and non-fiction of interest.

For our parents, our Book of the Week is entitled ‘Close Your Eyes’ by Michael Robotham.

Narelle Flanagan
Teacher-Librarian

HOST FAMILIES NEEDED

St Michael’s College will be hosting a group of students from Utsunomiya High School in Japan from March 3 to March 11 (8 nights). We are looking for families to host these 15 year old students with only one student per family.

You will need to supply 3 meals a day, drive them to and from school and provide a loving home environment. There is a payment to families who host a student of $440.

If you are interested, please ring Susannah Tosh on 0415 721 328 ASAP as details need to be sent to Japan as soon as possible. Thank you.
Message from the CAMPUS MINISTER

Last week we celebrated our Opening Mass launching our ‘Year of Justice’ for 2017. I am excited to introduce our new St Michael’s Liturgy Band who really made a difference to the Mass with some wonderful music. The students worked extremely hard with me in the past week and a half, through lunch times and after school, preparing nine songs including our new song, “God of Justice”. Thank you to Alex Bothma, Paige Hughes, Hannah Roughley on vocals, Giulian Grasso who played some beautiful violin, David Tootell on piano, Emma Mitchell on bass and our newest members, Tyson Bonney on drums and Kai Latter on guitar. It’s great to see them all contributing with their wonderful talents to our school community. All students will receive Bronze Awards for contributing their skills, time and talents to our Mass and school community. Well done! I look forward to working with you in our Liturgy and Mass events during the year.

This year is set to be an exciting year with many new opportunities for students to get involved in social justice action. I am starting a Social Justice Action Group in a couple of weeks – so please listen out for more information in Student Notices!

Mrs Jane McGeough Beach
Campus Minister

Message from VOCATIONAL EDUCATION AND CAREERS

By the end of this frantic week, all of our VET students should have completed their induction sessions. Why am I telling you this? Because all students present must have two forms signed by themselves and a parent/guardian and brought back as soon as possible to their VET course teachers. It is a legal requirement, so any help getting these forms back would be most appreciated.

In traineeship news, my number one plug for this week is the Currumbin Wildlife Sanctuary’s Information and Recruitment Night. Year 10 and 11s are invited along with their parents to apply for Certificate IIIs in either Hospitality, Business or Tourism, so dress to impress and come along for a 4pm start on Wednesday February 22 with your resume, application form (see me for this) and a positive attitude. That’s all folks!

If you are interested in any of these opportunities below or if you would like more information, please see Mr Esdale at Student Services or email: mesdale@stmichaels.qld.edu.au

ADF CAREERS AND INFORMATION SESSION

Australia’s Navy, Army and Air Force can give you experiences money can’t buy – a career that not only improves you personally, but means doing something worthwhile for your country.

There really is something for almost everyone – from fully paid university degrees and graduate entry schemes, rewarding trade and technical careers, exciting combat roles, through to support and administration positions. With more than 250 jobs on offer, with a multitude of entry avenues, there has never been a better time to find out more.

Where: Defence Force Recruiting Brisbane, Level 13, 295 Ann Street, Brisbane.
To RSVP visit http://events.defencejobs.gov.au/event/S8YMLB/ or email cptqld@dfr.com.au

Please check our bulletin board outside Student Services for different information sessions and their times and dates.
JOHN FRANKLIN MEMORIAL FELLOWSHIP

Applications are now open for the John Franklin Memorial Fellowship.

The John Franklin Memorial Fellowship is offered annually to enable young people aged 21 or younger to undertake study or research, obtain relevant experience or progress an academic, cultural, vocational or sporting project. To be eligible, applicants must reside or attend school in Mudgeeraba or the surrounding area. Please see Student Services for more information.

Applications close Tuesday 28 March 2017.

GEN-Z TRAINEESHIPS

Gen-Z Employment have continued their partnership with Classic Holidays in 2017 and would like to offer Year 11 students an awesome opportunity in areas of business/admin, hospitality and maintenance/grounds and guest services.

Classic Holidays strongly supports school-based trainees and currently has 8 trainees in full time employment after completing training in previous years. Classic is excited to offer more school-based traineeships in 2017. These opportunities are across the Coast, from Coolangatta to Labrador, and include both Head Office and Resort based positions.

Certificate III in Business at Corporate Head – Varsity Lakes
  IT and Administration (1 Position)
  HR and Administration (1 position)

Certificate III in Hospitality
  Sandy Point Beach Resort, Labrador
    Golden Shores, Labrador
