Message from the Principal

Dear parents, carers and friends of St Michael’s,

At last week’s Scientia awards, I shared one of my favourite Buddhist reflections around our pillar of integrity and being all that we are meant to be. As Shakespeare wrote, “To thine own self be true”.

Two monks were washing their bowls in the river when they noticed a scorpion that was drowning. One monk immediately scooped it up and set it upon the bank. In the process he was stung.

He went back to washing the bowl when he noticed the scorpion fall into the water again. The monk once again saved the scorpion and was stung again.

The other monk asked him, “My dear friend, why do you continue to save the scorpion when you know its nature is to sting.”

“Because,” the monk replied, “to save it is my nature.”

I have been working closely with our P&F to organise a parent presentation on Understanding Teenage Sexuality with trained presenters from 6.30 - 7.30pm on Monday, Oct 10. Our P&F are sponsoring this event and will provide light refreshments for those attending from 6pm. This session is aimed at supporting parents/carers to understand, communicate and support their children around healthy relationships and sexuality. Take-home hand outs are provided to all parents who attend. Some of the issues covered will include: Healthy relationships, safety online, puberty, legal age of consent to sexual activity, STIs, safe partying/safe dating, personal safety and body image. Strategies will be provided on how to answer questions from your child about sex.

There have been many great achievements over the past week. Amongst the many achievements, I would like to congratulate:

- Harrison Lillis who is an Australian Shooting Champion after winning SSAA U15 Junior Australian Title on the weekend at Hay, NSW. Well done Harry!
- Annabelle Stevenson who won the 16-20yrs age group in the Gold Coast Eisteddfod for the contemporary/pop song solo category. She was the youngest participant in the section. Well done Annabelle!
- our U14 Girls’ Rugby League team who finished 3rd overall in their recent competition, with a narrow one point loss to Merrimac High, who went on to play in the final.
- our Junior and Senior Dance troupes who achieved great results at the Gold Coast Eisteddfod. Our Junior Dance troupe scored 83 for their lyrical performance, a massive accomplishment for their debut to secondary schools Eisteddfod. Our Dance Extension students achieved impressive results with their three routines scoring 88, 89 and 90 and taking home a Highly Commended for Mason Orford’s amazing jazz choreography. A huge thanks to Ms Steward and Mrs van den Driest for supporting our troupes.
- our Hinterland District Track and Field team with over 20 students qualifying for the South Coast Regional trials in September. Special mention to the following students who were named as age champion for their divisions: Tyson Bonney -14 yrs boys, Teilah Ashby - 14 yrs girls, Charlotte Chant - 15 yrs girls, Georgia Stephenson -16 yrs girls and Amy Coulston - open girls. I would like to thank Mrs Alexander and all staff who supported our Track and Field teams.

Yours in Christ

Mr Michael Nayler
Message from the ASSISTANT PRINCIPAL CURRICULUM

Assessment calendars
Assessment calendars are now available on the Parent Portal. In your reporting package there was a flyer explaining how to access this portal. However here are the basic instructions:

- Go to the College website: http://www.stmichaels.qld.edu.au
- Click on the P icon top right

You will be directed to the Brisbane Catholic Education login.

If you have not accessed the Portal, scroll down to the blue box, “Forgotten password’ OR “First-time login”. Follow the instructions and create a password. You need to use the email address that the College has as the first contact. Once onto the portal, you will see the following:

Click on the Online School Services and the assessment calendars are the pdf files in this section.

NOTE: Reports for this year are located in the My Students tab at the top of portal page. Go into this section and see what else is available to you. Reports at the end of this year will only be available through the Portal. The College will no longer be sending reports through the post.

Assessment and due dates
As we are in the middle of Term 3, all students should be busy completing assessment tasks. Please assist your son or daughter to develop a study time, if he/she has not already done so. All students should be regularly completing homework tasks or completing their revision schedules leading to assessment. In addition, students should be encouraged to read ahead on the Learning Management System or their textbooks to assist them in deepening their learning for class discussion and work.

Queensland Core Skills test
Year 12 students have three weeks before the Queensland Core Skills test (Tuesday and Wednesday, August 30 and 31) and the following week their assessment block commences. A schedule will be available shortly and made available on the Parent Portal, Online School Services.

As part of the process to allow students to feel comfortable and at ease when they are sitting for the two days of testing, the College will provide breakfast on both mornings. It is a time when students sit and get themselves mentally prepared to complete the tests to the best of their ability.

Year 12 Vocational Education and Selection Rank pathway students
All students on this pathway are also invited to be at the breakfast as they are embarking on a day where they will experience career education on Tuesday, August 30. All are expected to attend school on both days. Normal classes will run on Wednesday August 31.

Senior Education and Training Plans
Thank you for participating in the SETplan interviews. The interviews were an opportunity to assist your son or daughter, you as parents / carers and our College staff to discuss future career options. Now that the students have made their subject selections for senior studies, the next step in the process is for the College to construct lines based on the interests of this cohort of students. Please note not all students will be able to study their first 6 selections and the 7th may be used. When the lines are completed, you will be asked to sign a form indicating your agreement with the final subjects for 2017.

**Message from the ASSISTANT PRINCIPAL RELIGIOUS EDUCATION**

**O’Shea House Mass**

On Friday August 12 our O’Shea Pastoral groups will travel by bus to the Sacred Heart Church at Clear Island Waters. Father Nicholas will celebrate Mass with us and members of the Parish. This is a special occasion in the life of our O’Shea students and staff as we celebrate with our community and our Parish community.

Students have been reminded that we are representing our College at a formal gathering which entails entering a sacred space. As such, uniform and behaviour must be exemplary. All O’Shea students are expected to be in attendance which means they need to ensure they are at the College, gathered in the Tuckshop area, no later than 8:30am. Students need to be well dressed in their full school uniform which requires blazers for our Senior students. Please ensure shoes are cleaned and that hair and jewellery meet College expectations (as per page 23 of the College Planner). Any student struggling to meet any of the requirements may see me prior to Friday for assistance.

We look forward to this prayerful time and to our gathering afterwards to enjoy some cake and conversation.

Take care of yourselves and your families…

Mrs Paula Lancaster

**SCIENCE WEEK is coming!!!!!**

Get excited, the highlight of the year is fast approaching. Saturday August 13 to Sunday August 21 is Science Week. There will be many activities happening at St Michael’s to help us celebrate and more information on these will be given in later Newsletters, but to get us ready we have a wonderful window display in Student Services.

One date claimer is Sunday August 14. There will be a local (Gold Coast), interactive science show event – see details below.

Ms Julie Miles
Faculty Leader
Message from the SPORTS DEPARTMENT

QLD All Schools Oz Tag Championships

Over the weekend of July 30 – 31 the College was represented by an Open Boys Oz Tag team at the inaugural QLD All Schools Oz Tag Championships at Kawana. The team were incredible ambassadors for the College and conducted themselves in a wonderful manner. The boys had a massive first day with six games to complete their pool matches. Results were:

- Game 1: 11-2 win vs Caloundra SHS
- Game 2: 6-8 loss vs Sienna Catholic College (eventual winners)
- Game 3: 8-6 win vs Murrumba State Secondary College
- Game 4: 7-6 win vs Marymount College
- Game 5: 21-0 win vs St James Lutheran College
- Game 6: 20-1 win vs Unity College

- Quarter Final: The boys then played a Quarter Final against Coolum State High School and won the game in extra time 6-5.
- Semi Final: Unfortunately the boys dream of making the Grand Final was taken away with a close 5-6 loss to Mountain Creek SHS.

The achievement of making the Semi Finals in the competition is fantastic and sets a good foundation for future St Michael’s teams. With all players playing a massive part in the competition it is difficult to single out anyone in particular, however it is exciting to hear three of the boys were named in the QLD Merit team following the tournament: Lachlan Jennings, Jack Taffs and Corey Pye (as a shadow). A big thank you to the boys, to Mr Andrew Pye who coached the team, Mr Andre Michael who was our official photographer for the weekend and to Lydia & Gavin Evert who assisted the College with accommodation and supervision of the boys.

The team was:

Mitch Busby, Lachlan Evert, Mark Hohns, Richie Holland, Lachlan Jennings, Andre Mateariki, Jack Molloy, Quinn Monaghan, Liam Neville, Nick Norton, Joe Pank, Corey Pye, Dan Ross, Jack Taffs, Braxton Tahi and Kyle Wilson.

Bill Turner Cup Team

On Thursday the July 28 our boys contested the Area 4 Grand Final against St Josephs: Gregory Terrace, which was the QLD QF of the Bill Turner Cup competition. After some great wins leading up to the game the boys played a tough, high quality match to lose to Gregory Terrace 2-0. This is the first time the College has made it passed the regional stage and their level of aptitude throughout the tournament was examplery. Special mention must go to Mr Phil Ellison and Mr Pat Hedges for coaching and leading the team.

The boys games were:

- Round 1: 6-0 Varsity College
- Round 2: 3-0 St Andrews Lutheran
- Round 3: 6-1 Robina SHS
- Round 4: 1-0 PBC SHS
- Round 5: 0-0 (3-0) penalty shoot out Beaudesert SHS
- Area 4 Grand Final: 0-2 Gregory Terrace

District Athletics Trials

Over 70 students participated in the Hinterland District (Green) School Sport Track & Field trials at Griffith University last week. Congratulations to all students listed below who were selected to represent Hinterland District at the South Coast trial which takes place on September 6 & 7.

Special mention to: Tyson Bonney (14 Years), Teliah Ashby (14 Years), Charlotte Chant (15 Years), Georgia Stephenson (16 years) and Amy Coulston (Open) who were recipients of Age Champion medals.

South Coast Qualifiers

12 Years

Caitlin Anderson: Long Jump 1st, High Jump equal 1st
Tyrell Ashby: Discus 2nd
Emma Lincoln: High Jump 1st
Ella Ross: Shot Put 2nd, Discus 2nd

13 Years

Dylan Libbis: 400m 2nd
Will Mulcaster: Triple Jump 2nd, High Jump 2nd
Fletcher Petty: Javelin 2nd
Jayden Stovin: 1500m Race Walk
14 Years
Teliah Ashby: 90m Hurdles 1st, Discus 2nd, Triple Jump 2nd
Tyson Bonney: 100m 1st, 200m 1st, 400m 1st, 800m 1st, Triple Jump 2nd & Long Jump 2nd

15 Years
Charlotte Chant: 100m 2nd, 200m 1st, 400m 1st, High Jump 1st
Julian Celano: Discus 1st & Hammer
Grace Lane: 800m 2nd
Stella Recoules: 200m 2nd
Jamison Stovin: 800m 1st & 1500m 1st, 3km Race Walk
Melita Watts: Triple Jump 2nd

16 Years
James Bell: Long Jump 2nd
Clarke Kelhear: 100m 2nd, 200m 2nd
Bridie Mulcaster: 3km Race Walk
Georgia Stephenson: Long Jump 1st, High Jump 1st & Triple Jump 1st
Josh Twigg: 400m 1st, 800m 2nd, 1500m 1st

17-18 Years
Tori Boyd: Long Jump 1st, Triple Jump 1st
Jake Burow: 200m 2nd
Amy Coulston: Long Jump 1st, High Jump 1st, Discus 1st, Shot Put 1st, 100m 1st, 200m 1st
Mark Hohns: 1500m 2nd
Bridget Hoy: Discus 2nd
Mikayla Twigg: Shot Put 2nd

Mrs Tara Alexander
Sports Program Leader

Message from the COLLEGE COUNSELLOR

Teen Topics

Body Image
Body image is what your teenager sees in their mind’s eye when they think about their appearance. It is their perception of their physical body and how they feel others perceive it. It may be an image that does not relate strongly to how you see their body. As teenagers today are bombarded by media images of flawless people that seem real, normal and attainable, it is understandable that many teenagers chase the attainment of the non-existent perfect body. They think that to feel good about themselves they need to change the way they look. Such a belief can lead a teenager to engage in unhealthy choices resulting in eating disorders and low self-esteem.

What to do
Rather than have your teenager think they need to change how they look or act to feel good about themselves you should aim to help them change the way they see their body and what they think about themselves. The more comfortable they feel about themselves the more confident and attractive they will appear to themselves. Encourage them to realise their body is unique to them, no matter what shape, size or colour, and that there are some things about themselves such as their height or shoe size they can’t change and need to accept. Tell them that different people are different shapes and sizes, that some are naturally thin and others aren’t, that thin isn’t necessarily healthy, and that they need to find and maintain a weight that’s within the normal range for them. Don’t be obsessive about food or dieting yourself. Provide healthy nutritious food and allow food to be a source of pleasure. You could aim to make eating together once a week a family ritual. If your teenager continues to have a major concern with their body image seek professional advice and support. If they wish to change and can, encourage them to set goals for themselves and keep track of their progress until they reach their goal. For example, the goal keeping fit can be achieved if they follow a regular exercise plan and eat nutritious foods. You can help them achieve their goal by having only nutritious food in the home, by not talking negatively about their weight and promoting the good looks of thin people, by encouraging them to exercise regularly, and by complimenting them on their effort and determination to stick with their plan to achieve their goal.
In sum, your teenager will have and maintain a good body image if they have high self-esteem, understand and accept their body type, and commit themselves to living a healthy lifestyle.

Please do not hesitate to contact the College Counsellors if we can assist in ensuring the wellbeing of your teenager.
Email: counsellor@stmichaels.qld.edu.au or phone 0434 425 776.

With best wishes
Jeff

Message from the **HPE FACULTY**

**What's going on?**
The Year 12 REC students are into the swing of things and are trying to master their skills at the game of golf.

Year 11 HPE students are immersed in their theory components at the moment. For best results and less pressure, students are strongly advised to complete homework tasks.

Year 7, 8 and 9 HPE students should be mindful of **checkpoint** and **final submission** dates for your theory assessments.

**Gym**
Parents and students are reminded that the gym is open on a Tuesday and Thursday afternoon, 3:00pm – 4:00pm. Students are asked to bring a full change of clothes, a towel and water bottle to every gym session.

**Healthy Hints**
It is important to remember that you cannot remove fat from a specific part of your body by doing specific exercises. This is due to the fact that then you exercise the fat you burn as fuel is taken from all over your body.

Clinton Daddy  
HPE Faculty Leader

**BRAIN BEE CHALLENGE**

Congratulations to the 3 Year 10 students, Emily Newman-Pace, Paige Starr and Andre Jones-Dorr who participated and competed in the 2nd round of the Brain Bee Challenge! It was an invaluable experience for the students giving them a taste of University life and exposure to the latest research in neurology.

“On the 19th of July, specially elected year 10 students, attended an excursion to The Queensland Brain Institute (QBI), grounded at the St Lucia, University of Queensland Campus (UQ) for the State Championships of the Brain Bee Challenge (Global Neuroscience Competition). I was personality allowed to hold an authentic, preserved half skull. The ability to gain visual insight to the brain was far beyond, one of the most intriguing, enthralling and scientific beautiful sights I have ever experienced. The Brain Bee Challenge, is an astonishing experience that all should seize with both arms and embrace the knowledge of science.” (Comment by Andre Jones-Dorr)

“The Brain Bee Challenge, round 2 was a unique and wondrous experience. Even being educational, the competition was an interesting and fun chance to learn about neuroscience and see what UQ has to offer. The Campus was huge and the labs were absolutely amazing. Divergent technology and equipment was used and put on display for every student. It was an opportunity that was worthwhile. There were things there that only a handful of places in Australia have to offer for display. Getting involved with this activity included meeting, interacting with new people and competing in an individual and a group competition. I highly recommend this experience to year 10 next year.” (Comment by Paige Starr).

Mrs Kathleen Thompson  
Science Teacher

**GO GRIFFITH BIOLOGY UNIVERSITY COURSE**

Congratulations to Sami Whitwell Parkes Coppock who completed her Laboratory Session at Griffith University as part of her Go Griffith Biology University Course.

“My experience at Griffith University was amazing! Even though I was the only student at my school to be there on that day, friends came easily. Students from the university were teaching us important skills that came very useful when doing a prac lesson. So many experiments were done in my time at the uni, we got to see cheek cells, teeth cells, and tongue cells. We got to view live bacteria, and try out all the chemicals in the lab with experiments. The campus was huge! The students at the uni were really fun to talk to and hang out with. They told me a bit about themselves and how they came to love Biology!

Overall my time at Griffith University was amazing and I can’t wait to go back there, a definite 10/10. “ (Comment by Sami Whitwell Parkes Coppock)

Mrs Kathleen Thompson  
Science Teacher
Message from STUDENT SERVICES

2017 DIRECT ENTRY APPLICATION - TAFE QUEENSLAND
The Direct Entry Application has arrived! All Year 12 students who are interested in securing an early place in a TAFE Diploma program, commencing Semester 1, 2017 are strongly encouraged to apply. To secure an early placement into any Diploma program students will need to apply online at www.studentrego.com (CODE-TAFE6).

Applications open online on 29 July 2016 and will close on 9 September 2016. Students are also encouraged to apply for a TAFE Queensland Scholarship. For more information or to apply for a Scholarship please visit http://www.scholarships.tafeqld.edu.au/.

APPLICATIONS FOR THE AUSTRALIAN DEFENCE FORCE GAP YEAR 2017 ARE NOW OPEN
A Gap Year in the Australian Defence Force is a great way to get a feel for an exciting career in the Navy, Army or Air Force, while gaining life skills, making new friends and developing leadership qualities you can take anywhere. Choose from a number of Gap Year roles.

Applications are only open for a limited time, until numbers have been filled, so don’t miss out! Applicants must have completed Year 12 and be aged between 18 & 24 years old as of 1 April 2017 (Navy), 31 May 2017 (Army) or 7 April 2017 (Air Force).
For more information, contact the ADF at Robina on 5569 3900 or visit http://www.defencejobs.gov.au/education/gap-year

REMINDER: UQ YOUNG SCHOLARS PROGRAM Applications close Friday 12 August, 4:00pm
The University of Queensland is offering Year 11 students an exciting opportunity to participate in the Young Scholars Program (YSP).
During their participation in the Program, UQ Young Scholars are challenged to think critically about today’s major global issues and are exposed to a wide range of potential study areas and career opportunities. They will engage in discussions and collaborative forums in group settings and enjoy a range of complementary social, sporting and cultural activities.
To review the program and information on applying please visit https://young-scholars.uq.edu.au/.

BRISBANE/QUEENSLAND OPEN DAYS - JULY 2016
Central Queensland University (CQU) is hosting an Open Day at the Brisbane Campus on Thursday 11 August from 3pm-6pm.
Visit www.cqu.edu.au for more information.

Southern Cross University (SCU) invites students in Year 11 and 12 to attend the annual SCU Careers in Health Day on Tuesday 23 August 2016, from 9.45am – 2pm. Students will join SCU academic staff and students in eight different interactive laboratory workshops to explore study options and careers in Clinical Sciences, Midwifery, Nursing, Occupational Therapy, Podiatry, Speech Pathology and Sport and Exercise Science. Registration is essential, please see Mr Esdale/Mrs David in Student Services for further information.

Southern Cross University (SCU) is opening the campus on Thursday, 25 August to any year 11 or 12 students who are interested in finding out more about careers in media, music, visual arts and creative writing. Students are invited to participate in four interactive workshops, join academic staff and current students to explore career and study options. Students interested in attending this free event should see Mr Esdale/Mrs David in Student Services.

SAVE THE DATE – Southern Cross University Gold Coast Campus (SCU) is hosting a parent information evening at 5pm on Thursday, 1 September, and invites all parents of Year 12 students to an insightful evening on the transition from high school to university. Guest speakers will cover information on the application and enrolment process, careers, student support, costs, scholarships and more. For registration and further details please contact Lucinda Crews, 07 5589 3015 or lucinda.crews@scu.edu.au

TAFE GOLD COAST – MID YEAR INTAKE
TAFE Queensland Gold Coast is accepting Expressions of Interest for mid-year entry into various Schools Programs across a diverse range of study areas. This program allows you to fast track your career by completing a Certificate qualification and gaining points towards your QCE.

TAFE AT SCHOOL 2017 COURSES
TAFE Queensland would like to announce that applications are now open for 2017 courses. Many wonderful opportunities for students on a VET pathway. Please see our Student Services Notice Board for all courses available and pop in and see us with any enquiries. Applications can be done online at www.studentrego.com (Code-TAFE7)

2016 AVIATION CAREERS EXPO
The 2016 Aviation Careers Expo is back for its 16th year, offering aspiring aviation professionals the chance to get one step closer to their dream career in the sky. The expo is being held at Brisbane Airport on Saturday 20 August 2016 from 10am until 4pm. The event is free to attend however you must register to obtain a ticket for entry at www.eventbrite.com.au searching for ‘2016 Aviation Careers’. There are also cabin crew information sessions being held on Wednesday 20 July and 24 August from 6.30pm – 8.30pm. This is also free entry and you will need to register to receive a ticket, searching for ‘Brisbane Cabin Crew Careers Session’. 
WHITE CHRISTMAS HIGH SCHOOL PROGRAM

Are you 14-18 years old and would like to go on a cultural exchange? Would you like to live in another country or speak another language? If yes, CAMPUS EDUCATION AUSTRALIA (CEA) are offering overseas programs and language group tours. Please see the Student Services bulletin board for more details or visit www.campus.com.au.

PRESTIGE SERVICE TRAINING SCHOOL BASED TRAINEESHIPS

Dreamworld is now recruiting 10 super-star school-based trainees to work in a range of areas including food and beverage and retail. Applicants must be available for work during September and Christmas holidays. Please register your interest with Teigan Thew at courses@pst.edu.au by 9th August 2016.

PRESTIGE SERVICE TRAINING SCHOOL BASED TRAINEESHIPS

Cert III Hospitality:
The Coffee Club, Springwood
The Press Café, Coomera Waters
Zarraffa’s Coffee, Hope Island, Runaway Bay
