Message from the PRINCIPAL

Dear Parents, Carers and friends of St Michael’s,

Over the past week we have had many wonderful events to farewell our wonderful Senior students including our Reflection Day, Formal, Graduation Mass and Assembly. At our Graduation Mass I shared a favourite journey story called, “The Same Kind of Folk” and a reflection which I have included below.

The Same Kind of Folk

A traveler came upon an old farmer working in his field beside the road. Eager to rest his feet, the wanderer hailed the countryman, who seemed happy enough to straighten his back and talk for a moment.

“What sort of people live in the next town?” asked the stranger.

“What were the people like where you’ve come from?” replied the farmer, answering the question with another question.

“They were a bad lot. Troublemakers all, and lazy too. The most selfish people in the world, and not a one of them to be trusted. I’m happy to be leaving the scoundrels.”

“Is that so?” replied the old farmer. “Well, I’m afraid that you’ll find the same kind of folk in the next town.”

Disappointed, the traveler trudged on his way, and the farmer returned to his work. Sometime later another stranger, coming from the same direction, hailed the farmer, and they stopped to talk. “What sort of people live in the next town?” the stranger asked.

“What were the people like where you’ve come from?” replied the farmer once again.

“They were the best people in the world. Hard-working, honest, and friendly. I’m sorry to be leaving them.”

“Fear not,” said the farmer. “You’ll find the same kind of folk in the next town.”

As you begin the next exciting phase of your journeys, perhaps remember the moral of this story, which is, that we, to a large degree, determine the kind of people we surround ourselves with.

At St Michael’s, you have been surrounded by one of the most caring, kind, friendly and positive group of young men and women that any senior class could experience. You have also been embraced by your loving families, many of whom are here tonight to celebrate with you. You have had the support of our hard-working and dedicated staff and the respect and admiration of our St Michael’s younger students. You have had the support and care of the wider community including Fr Nicholas, our wonderful College chaplain, our parish and Brisbane Catholic Education community.

So, when you do find yourself in a new place in the weeks, months and years to come, look for those same kind of folk. Look for the people who bring love, happiness, compassion, faith, joy and positivity into your life and into the lives of those around them. They are your people, because this is the sort of people you have been to our St Michael’s community.
For all of our Seniors, and our parents and staff who will leave our community at the end of this year, please know that you are always part of our St Michael’s family. I would ask that the blessings of St Michael, the protector, will go with you always and keep you safe from harm. May you take our St Michael’s pillars of courage, respect, justice, dedication, protection and most of all, this year’s pillar of Integrity out to the world in all that you do.

You have truly been gold for our community, your next challenge is to go out, and be gold for the world.

St Michael, pray for us. Amen.

Michael Nayler
Principal

Message from the DEPUTY PRINCIPAL

Year 12 Graduation Week
Last week was a very memorable week for our community with the graduating class of 2016 enjoying the accolades and celebration that they deserved. Commencing with a beautiful and touching Graduation Mass on Wednesday, followed by their joyous Graduation Assembly on Thursday with parents and the entire community. The Assembly has traditionally been a time of both sorrow mixed with high emotion as we wished our graduates farewell from our community.

Finally, on Thursday evening, it was a night of glitz and glamour as our graduates enjoyed a fantastic evening at the Mercure, celebrating in many cases with their colleagues and teachers possibly for the last time as they head into the next phase of their life journey. We wish our class of 2016 a safe and joyful week at ‘Schoolies’ and we pray that they may venture into life inspired by the power of the Holy Spirit to go forth and ‘live life to the full’.

Important Dates – Close of 2016/Opening of 2017
The following dates are important to note for the closure of the school year:

- Friday 25 November 2016 – Final day for Year 10 and Year 11 students.
- Thursday 1 December 2016 – Final day of classes for Year 7 to 9 students.

For the new 2017 school year:

- Tuesday 24 January 2017 – Year 7 and Year 12 students only return.
- Wednesday 25 January 2017 – All students return.

Best wishes to all families for the coming week.

Mr Stephen Eisenhuth
Deputy Principal
Message from the ASSISTANT PRINCIPAL CURRICULUM

Reports
All reports will be accessed through the Parent Portal and therefore school reports are only available online. Each parent will receive a reminder about how to access the portal in an email. Reports will be available after Friday December 9.

Subject Selection for 2017
All present Year 8, 9 and 10 students will receive a form this week indicating their allocated subjects for 2017.

Year 7 students have only one selection of a language subject: French or Japanese. All students have selected their language preference and received a form last week. Thank you to the parents who wished to make a change to this selection and emailed me last week.

Present Year 11 students
For students considering a change of subjects for Year 12, it is important that this be completed before the end of the College year. Please obtain a form from Student Reception and make an appointment with Mrs Janovsky.

Textbooks
It is vital that all textbooks be returned by the end of the College year. Students who have textbooks outstanding will be charged for the replacement of these books.

All textbooks will be distributed in the first week of 2017 (January 24-27) for all Year levels.

Kathryn Janovsky
APC

Message from the ASSISTANT PRINCIPAL RELIGIOUS EDUCATION

In their final week at St Michael's College, year 12 students showed that they are truly young people of great calibre. On Wednesday's Rite of Passage day, they shared memories and affirmed one another. Then on Wednesday evening, they and their families participated in the Graduation Mass at Sacred Heart Church, Clear Island Waters. Fr Nicholas Okafor, College Chaplain presided at the mass and in his sermon encouraged the year 12 students to take the characteristics of the six pillars of our charism of St Michael out into the world with them. One special feature of the mass was the music provided by the Liturgical Band: Tyler Harden, Braxton Tahi, Anthony Meza, Alissa Ternell-Picton, Lucky Joe Accurso and Alex Bothma. Their music added a very welcome dimension to the mass. Congratulations to the members of the liturgical band and also to Mrs Jane McGeough Beach who has worked with them. My heartfelt thanks also goes to all readers, sound and visual technicians, altar server, ministers of communion and the students and their families whose participation made the mass a special celebration.

Sunday November 27 is the first Sunday of Advent. In the Liturgical calendar of the church, Advent is a season of waiting before Christmas. During the season of Advent, a candle on the Advent wreath is lit each week. The candles are designated as Hope, Peace, Joy (the rose candle) and Love. When Christmas comes a white candle is lit to symbolise Jesus coming as the light of the world.

Mrs Margaret Petherbridge
APRE
A Calling to Remember

By Tiana Pryde

Mary MacKillop and Caroline Chisholm were two very significant and influential women in Australian history. They both dedicated themselves to helping the poor and needy. MacKillop and Chisholm were both strong women who realized the importance of people coming together to help their fellow human beings. This chapter focuses on their influential acts and the contributions that they made to the betterment of society.

MacKillop was a very influential religious leader who started the Sisters of St Joseph. She was an inspiration to others and provided education and care for those in need. She also believed in the principle of education for all, which was the beginning of the University of Sydney. Her influence continued through her later years and was evident in the establishment of universities and other educational institutions.

Caroline Chisholm was a layperson who played an influential role in providing shelter and work opportunities for poor immigrants. She was a strong advocate for the rights of women and children and founded the Female Immigrants Home in Sydney. This was a significant step in providing care for women and children in need.

Mary MacKillop and Caroline Chisholm's work showed that even the smallest acts of kindness can make a difference. Their actions demonstrate the importance of helping those in need and the positive impact that it can have on society.

THE CALLING

Caroline Chisholm and Mary MacKillop made great impacts on Australian history. They both played a significant part in improving the lives of others. Through their compassion, they saw and met the needs of others in the community. Their calling was what led them, through different approaches, to help the people in need in the community. As a community, we, the people of St Michael's College can learn from these inspiring women for inspiration to help meet the needs of others in our day to day lives.

Through her calling, Mary MacKillop discovered the needs of others in the community. MacKillop saw the need for wider access to an education for not just the rich city people and the poor and homeless, but this was that lady who, her close friend and the poor, and homeless was this that lady that her and Caroline Chisholm, as a lay person, were a significant religious women. Chisholm moved to Australia with her husband in 1838; it was then when she decided that something had to be done for the women who "saw single girls being dumped on the wharves with nowhere to go". With this knowledge of what was happening to the girls, Caroline Chisholm, "with the support of the clergy, the Governor and the Sisters of St Joseph" set up the Female Immigrants Home. Through her work at this home she gave protection and shelter to hundreds of women and some even managed to find employment opportunities. Caroline Chisholm was a significant religious women in Australia where she became the publicist for Australia, which gave her the opportunity to take meaningful to Australia. Both these women create examples on how we should live our lives.

Through the action of responding to their calling, Caroline Chisholm was able to help many great many people from different countries. She gave immigrants shelter, food, employment, and overall a better life than they would have had otherwise, looking to flee their own country because of poor circumstances and come to Australia in the hopes that they may have a better life than they previously occupied. Caroline Chisholm helped immigrants with this, and in six years, over eleven thousand immigrants were settled as farmers, servants or wives in New South Wales. This was possible because of her immense integrity and dedication to those whom she saw in need. She saw and adhered to her calling, and through that, was one of the greatest women in our nation's history. Through her dedication, Caroline Chisholm was able to achieve great things within her community, and we of the St Michaels community can emulate this by following the pillars of the college, such as holding their ground in the face of adversity, or showing integrity by helping others and doing the right thing even when they would choose not to.
Message from the HPE FACULTY

Congratulations to Year 12 HPE and REC – all students should now have completed their assessments. Enjoy the celebrations this week!

Year 11 HPE students should be in the process of finalising their theoretical assessment for submission. They should also be fine-tuning the practical routine for their assessment performance.

Year 7, 8, 9 and 10 students have all completed their theory assessments. They will be conducting practical lessons until the end of the year.

Gym
Parents and students are reminded that the gym is open on a Tuesday and Thursday afternoon, 3:00pm – 4:00pm. Students are asked to bring a full change of clothes, a towel and water bottle to every gym session.

Healthy Hints
Add more exercise to your day by doing extra walking – take the lift instead of the stairs, park farthest from the mall entrance, keep the phone in only one place at home, get rid of the remote, park away from work and walk, order your food inside instead of going using the drive-thru.

Clinton Daddy
HPE Faculty Leader

Message from the CAMPUS MINISTER

It was a great day last Friday, eight of our students with Aboriginal heritage experienced an excursion to the Brisbane Catholic Education, Aboriginal Cultural Learning Centre, in Inala. We participated in a fun and practical day of traditional song and dance, art, cultural stories, traditional tools, bush medicine and boomerang throwing. Students really enjoyed it, saying, ‘it was cool’. There was excited talk afterwards of starting our own native, bush tucker garden at school! Thanks to Ms O’Dea for driving us there! As part of St Michael’s commitment to supporting Aboriginal students and culture, we plan to continue these cultural learning opportunities and excursions for our students, each term next year.

The Year 12’s concluded their year with a Rites of Passage day, led by Michael Fitzpatrick. This day followed on from their Retreat earlier in the year. The day was an opportunity for the Year 12’s to recognize and reflect on their memories, their learnings, the people they were thankful for and their relationships as a Christian community. They all enjoyed the opportunity to write affirmation letters to their peers; and participated in a beautiful ritual to express their encouragement and gratitude to others.

Last night we had a wonderful Graduation Mass at Sacred Heart Church. Thank-you to Father Nicholas Okafor who always connects so well with our students, Mrs Petherbridge, Andre Michael for the sound and everyone involved. Our talented Year 12 musicians did an excellent job on leading music and worship for the congregation of our Year 12 students and their families. It was the Senior Liturgy Band’s last music performance and I will be very sad to see them go! Thank-you to Alissa, Tyler, Braxton, Anthony, Lucky Jo and Alex for all the work you have put in with me over the last two years and for helping enliven the music and Mass culture at St Michael’s College!

Mrs McGeough Beach
Campus Minister
An Important Evening Conversation with Professor Donna Cross
*A proud initiative of Qld Parents & Friends

Join us and meet Professor Donna Cross to discuss your student’s wellbeing and cybersafety.

Professor Cross is with the Faculty of Medicine, Dentistry and Health Sciences at the University of Western Australia and the Telethon Kids Institute. Since 1999, Donna and her colleagues have completed 34 large empirical trials, each involving 2,000+ school age students, investigating ways to improve their health. These included two large studies involving Aboriginal and Torres Strait Islander students. Donna has been awarded over $20m in grants. This funding has supported applied intervention research addressing child and adolescent health promotion issues related to mental health, cyber safety, injury control, drug use control, and healthy lifestyles.

Professor Cross is an informative international speaker. Your valuable time spent at this event will be well worth it. We promise!

(Free parking available – St Stephen’s Cathedral Car park, entry via Charlotte Street, Brisbane. Public transport is available via Trains to Central Station or Buses to Queen Street Bus Station)

A light meal and drinks will be provided. There is no cost for this event.

RSVP: Monday 21 November 2016
info@pandf.org.au | Ph: 07 3336 9242
Date: Wednesday 23 November | Time: 5.30pm for 5.45pm (one hour presentation)
Venue: Australian Catholic University Leadership Centre, Lvl 3, Cathedral House, 229 Elizabeth St, Brisbane
**Message from STUDENT SERVICES**

If you are interested in any of these opportunities or if you would like more information, please see or contact Mr Esdale on mesdale@stmichaels.qld.edu.au.

---

**SOUTHERN CROSS UNIVERSITY OPEN DAY**

**DATE:** December 9, 2016  
**WHERE:** Gold Coast Campus

Interested students are also welcomed to take a personalised guided tour, which will give you the chance to look around and meet staff on campus. Bookings for campus tours are essential. Please email campustours@scu.edu.au or phone 1800 626 481.

---

**YEAR 11 & 12 STUDENTS – 2017 SCHOOL BASED & FULL TIME APPRENTICESHIPS RIVIERA AUSTRALIA**

Riviera Australia is based at Coomera and is currently seeking applications from Yr 11 students interested in completing a school based apprenticeship in 2017 and those soon to complete Yr 12 studies, who are seeking a full time apprenticeship in 2017 for the following areas: Lamination, Boatbuilding, Cabinetmaking, Engineering & Upholstery.

Interested students need to send a cover letter detailing interests, certificates and grades and what motivates you to get away from computer games, along with a resume including listed referees.

Successful applicants will be shortlisted for interviews on 8 & 9 December with chosen candidates required to complete a medical and drug test in the week beginning 16 January 2017. Work will commence the week beginning 30 January 2017.

For further information please contact Lisa Fox – Apprentice Program Manager on 5502 5409 or 0421 925 537 and email cover letters and resumes to E: lfox@riviera.com.au

---

**DREAM BIG PROGRAM: ENGINEERING SCHOLARSHIP FOR FEMALE STUDENTS**

Calibre Consulting, Brisbane are offering the opportunity for female students to be supported and mentored throughout their university life while they are studying engineering. Once accepted into the program, Calibre Consulting also provides professional employment upon graduation. The Dream Big Program offers paid work during university breaks, generous financial assistance ranging from $3000-$5000 per year to assist with university costs, a graduation bonus of $5000 per year for the first two years to help with associated university costs and more. Scholarships will be offered in Brisbane, Canberra, Sydney, Gold Coast, Rockhampton and the Sunshine Coast. Students can contact Hayley Urriola on 3895 3462 for further information or visit the Calibre Consulting website to apply.

---

**YEAR 12 GRADUATES FEE FREE TRAINING – AURORA TRAINING INSTITUTE**

Year 12 graduates can access nationally accredited courses for free, giving an opportunity to transition to employment. Aurora are currently offering fee free training in Certificate III Hospitality and Certificate III in Community Services. For further information, please call the Aurora Team on 1300 936 864.

---

**NOJA POWER – YEAR 12 SCHOOL LEAVERS**
