IMPORTANT DATES

Tuesday October 10
Year 10 2017 Information Evening

Thursday October 12
Sports Awards Presentation

Friday October 13
Shannon House Mass

Monday October 16
Student Free Day

St Michael's College respectfully acknowledges that we are on the sacred lands of the Kombumerri clan of the Yugambah people.

9 October 2017 | Volume 32.33

Dear Parents, Carers and friends of St Michael's,

Enrolments

As we commence Term 4, we move towards planning for 2018. An important part of planning for 2018 is in the area of student numbers and staffing. As a College, we need to be clear about our class sizes, as our staffing numbers are based on the number of students enrolled. As you would be aware, student numbers dictate the number of staff we employ. If you know of anyone who has not yet submitted their application for enrolment for 2018/2019 or may have students who may not be returning to the College, could you please let the College know as a matter of urgency as there is a high demand for places at the College. It is important that we have an understanding of student numbers in each year level so we can offer placements to those who are on waiting lists.

College Laptop Program

There would be little argument that computers have revolutionised virtually every aspect of our life and work. In schools, we recognise that students must be able to operate in the digital world so that they can participate fully in the economic, social and cultural life around them.

Since 2008, when the Labor Government initiated the National Secondary Schools Computer Fund (NSSCF), many schools have been providing laptops to students as part of their school resourcing. The government spent over \$2.4 billion in initiating the revolution so that all students could be equipped with the latest technology, "to prepare them for the jobs of the future". This funding has long since ended and schools are now responsible for maintaining the 'Digital Revolution'. At the College, we have been planning around the future of our College's laptop program. The provision of a College device is a significant part of our annual College budget and in our commitment to keep our fees affordable we need to be mindful of this in our annual budgeting process.

We are currently in the process of reviewing all of our machines and investigating devices which will provide the opportunity for enhanced teaching and learning. As we move into an era where touchscreen and stylus ability are becoming paramount in the workforce, we need to ensure that we are providing our students with the skills and technology that prepare them for life beyond school.

All students will be issued with a College provided laptop in 2018 and I will provide further information about the College's IT Strategic Plan in the future. I thank Mr Ben Edwards, Mr Brad Jerome, Mr Marc Littlejohn and Mr Lloyd Rob for their Leadership.

Year 12 – Monday October 16, Verification – Student Free Day

The above date is a student free day. This is the time when teachers across Queensland meet to discuss students' levels of achievements in Senior subjects and verify standards. Thanks are extended to Academic Middle Leaders and Senior teachers responsible for putting together Year 12 submissions. All students should be reminded that work completed in Term 4 contribute towards final results.

Ms Veronica Wasiak
Principal

Message from the HPE FACULTY

What's going on?

Welcome back to Term 4, I trust all had a good break.

A reminder to all students participating in PE, that you must be prepared for all classes in order to take part. That includes a full change of clothes (white sports shirt, maroon sports shorts, correct socks, runners and a hat). Summer is upon us so feel free to bring a water bottle.

Gym

Parents and students are reminded that the gym is open on a Tuesday and Thursday afternoon, 3:00pm – 4:00pm. Students are asked to bring a full change of clothes, a towel and water bottle to every gym session.

Healthy Hints

In today's world where everyone is on the go, fitting in daily exercise is a great challenge for most. Just by doing a few simple things each day can help you on the way to a healthier and more active lifestyle.

Mr Clinton Daddy
HPE Faculty Leader

Message from the SCIENCE FACULTY

Who are the **SCIENCE STARS** at the start of term 4 in the 2017 academic year?

NAME	CLASS	REASON
Eoin Menton	7.1	Excellent sherbet making.
Emily Feld	7.2	Consistent high-quality classwork.
Chloe McAlpine	7.3	Increased effort into being part of class discussions.
Ben Wiggins	7.4	Consistent classwork and positive attitude.
Lucy Twigg	7.5	Excellent effort in Biology.
Zoe Lakeland	8.3	High quality work.
Elyssa Restiano	8.6	Dedicated commitment to increasing her science knowledge.
Olivia McCarly	9.2	Great effort in class.
Alisha Christensen	9.5	Great effort in EEI.
Keegan Gregg	9.6	Consistent effort in completing HW and classwork.
Chelsea Holloway	10.1	Consistently completing all HW to a high standard.
Lachlan Hearn	11 Chemistry	For asking intelligent questions regarding the EEI report.
Estela Carney	12 Chemistry	For diligent attention in class and completing HW.

Well done to all these students and others who are working at their best. Look out for more science stars later this term!

Ms Julie Miles
Faculty Leader

TUCKSHOP ROSTER		
Monday October 9 Sue Angelucci	Tuesday October 10 Rolf Schillings	Wednesday October 11 Lesa Harrop
Thursday October 12 Tarnia Kelhear Karen Stanko	Friday October 13 Lara Aletti Gloria Jones	Monday October 16 TBA

SAFE DRIVER TRAINING COURSE

Last Thursday, 27 of our Senior students travelled to Mt Cotton to participate in the Safe Driver Training Program. The day consisted of classroom theory, discussing such things as driver awareness, safety tips, car maintenance and much more. The students also undertook the practical component, where they got to drive different types of cars under various road conditions so to test their skills. Knowledge of stopping distances, using the ABS brakes effectively, as well as correct driving techniques which will no doubt assist these young drivers in the future and perhaps even save a life!

A special thankyou to Dorenda Gutteridge from Learning Support who gave up her day to assist. Also the P&F who generously subsidised part of the cost of the course.

Mr van den Driest
Events Coordinator

Message from VOCATIONAL EDUCATION AND CAREERS

SOUTHERN CROSS UNIVERSITY (SCU) HEAD-START PROGRAM 2018

SCU Head-Start provides Year 11 & 12 students with the opportunity to gain direct entry and advanced standing into a variety of courses offered at SCU. Free from fees, the program offers students a chance to gain a taste of university life and stimulate your interest in long term aspirations. To register, complete the online registration form at scu.edu.au/headstart. SCU will then send a form to the Principal to complete and return along with your most recent school report. Formal offers will be made to successful applicants by the end of November 2017. Orientation will be held in February 2018 with the program completed on 9 June 2018. **CLOSING DATE FOR HEAD-START REGISTRATION IS 13 OCTOBER 2017.**

visit www.griffith.edu.au/gumurrii-student-support-unit/programs/orientation.

The **Griffith Law School** at Nathan Campus would like to encourage Aboriginal and Torres Strait Islander students to think about doing a degree in Law once they finish school. The Law school is hosting an event on **Tuesday 31 October 2017 from 9.30am – 2.30pm** to get students thinking about that idea. The morning portion of the event will focus on sentencing of an offender (Moot Court) and the afternoon session will be listening to a Griffith Law School Aboriginal or Torres Strait Islander alumni talking about a career in Law. Please RSVP your attendance to sonia.williams@griffith.edu.au

GRIFFITH 2018 SCHOLARSHIP APPLICATIONS NOW OPEN

Griffith's scholarships are recognised as among the most rewarding and supportive university scholarship programs in Australia. To find out what scholarships are available and how to apply, please visit www.griffith.edu.au/scholarships

WANT TO BECOME AN ARTIST OR LOOKING FOR A CAREER IN THE ABORIGINAL ARTS INDUSTRY?
