February 15 2016

Dear Parents, Carers and friends of St Michael’s,

This week, we celebrated Ash Wednesday and the beginning of the forty days of Lent with a parish Mass and a beautiful Ash Wednesday liturgy at school. I was so impressed with our students’ exemplary behaviour and reverence throughout this ceremony and with our Senior Leaders who attended the Mass and helped to distribute our Ashes at our liturgy.

At both the Mass and liturgy, we were reminded of the importance of Lent in our spiritual journey toward Easter. There are three major things that Catholics do during Lent to prepare for Easter:

- **Prayer and contemplation:** Taking the time to think and pray about our present situation and things that we need to do better in our lives. The word sin comes from an archery term and is about “missing the target”. All of us can miss the target of who we are called to be. Lent is a time when we re-examine our lives and try to readjust our aim at our target of being the people God has called us to be.
- **Fasting:** Catholics are called to abstain from eating red meat on Ash Wednesday and Good Friday although many families still do this each Friday during Lent. We are also asked to consider giving up other luxury items during Lent. Fr Nicholas challenged our parish that fasting should naturally lead to giving and reminded us of the need to consider passing on the savings from not eating that Mars bar on to the poor through organisations like Caritas (Project Compassion) and St Vincent de Paul. I also encouraged our students to consider giving up some of their time to help mum and dad around the house as a Lenten observance.
- **Giving alms to the poor:** Catholics are called to share our good fortune with the less fortunate and this is particularly true during Lent. There are many good organisations that assist the poor, but we tend to focus on our Catholic institutions which are known to distribute almost all that has been collected back to the poor. You can learn more about Project Compassion and how you can help the poor at: http://www.caritas.org.au/projectcompassion

On Thursday, we had a sensational swimming carnival. I was very impressed with the efforts our House Leaders went to in leading their cheer squads. I can honestly say that I have never seen such an effort from any other school across my 30 years in education. Not only did our houses cheer loudly, but they put on miniature performances to rev up the crowd. We saw everything from a pirate ship sail up with other houses made to walk the plank, through to episodes of Survivor & Baywatch and finally we watched a surfer ride an improvised wave beside the pool.

Once again, our students were exemplary in both their behaviour and level of participation at the swimming carnival. Across the day, there were very few times that staff had to speak with students about any issues. I would like to congratulate Oxenham house on their win and also our age champions and record breakers on their great efforts. At the end of the carnival, I was congratulated by one of the vendors who said that out of the many school swimming carnivals he attends that the St Michael’s carnival has the best atmosphere and politest students that he deals with. He said that if he had his time again, he would have sent his children to St Michael’s.

On Friday, I had the opportunity to meet with our Year 9 Leaders down at Kurrawa Surf Club parklands. I spoke with them about the challenges of leadership and reminded them to always share their giftedness and not be afraid to stand up for what is right, even when it isn’t popular to do so, ie. Be gold, when it’s grey. It is great to see such strong young leaders coming through in our middle years.

I would just like parents and carers to be aware that **Thursday February 25** has been earmarked by our union as a full day of industrial action. I will let parents and carers know more about this as more information comes to hand over the next week. **Year 7 camp will have to be rescheduled to Monday March 7 to Wednesday March 9.**

Michael Nayler
Principal
Parent/Carer communication - Student Wellbeing matters

With our school year now well under way I believe it is timely, in particular for the benefit of new families, to provide an overview of our communication channels relating to your child’s wellbeing. We strongly encourage you to establish a positive communication link with your child’s Pastoral Care teacher, as they are their first contact every morning in Pastoral. One example of such communication by parent email, could be to notify the Pastoral teacher of your child’s ‘absence’. In this case an email constitutes an ‘absence note’ once the Pastoral teacher has acknowledged the email.

We also encourage regular communication between parents and Pastoral teachers for matters of student wellbeing and academic concerns. Phone communication is still most welcome via the College Office to either the Pastoral Teacher or Year Leader. It is important to note that communication of wellbeing matters in regard to your child’s Year Leader is a daily responsibility of Pastoral teachers. This ensures that our Pastoral Care team are well informed on student wellbeing matters.

However, it is important to note that our school policy is that direct communication to the Principal or Deputy Principal about student wellbeing matters, does not generally occur prior to the Pastoral teacher or Year Leader being contacted. Both the Principal and myself are kept informed of matters of student wellbeing by regular communication from our Pastoral Care team, which includes our College Counsellors and a formal team meeting on a weekly basis.

The communication mechanism within the College Pastoral Care framework ensures that the necessary parties are involved with matters of wellbeing that the Principal or Deputy would not normally investigate initially. This is the case unless the matter of immediate emergency or a mandated legal obligation requiring immediate action from the Principal to respond. We thank you in advance for your cooperation and understanding of this policy and our commitment to working in partnership for the wellbeing of your child.

Best wishes to all families for the coming week.

Year 10 LEAP (Learning Enhancement and Activities Program)

In year 10 LEAP the students have commenced the journey to develop their Senior Education and Training (SET) plan. There are four stages to developing a SET plan:

- Stage 1: Thinking about the future
- Stage 2: Exploring options
- Stage 3: Documenting the plan
- Stage 4: Implementing the plan

Over the coming weeks, students in Year 10 will reflect on their interests, strengths and weaknesses. Please discuss these issues with your son or daughter and continue to work with him/her on exploring future options.

By the end of this semester, students will have completed their Senior Education and Training plan which indicates their pathway through senior schooling. Presently there are three different pathways through senior school: the tertiary pathway (OP); the selection rank leading to tertiary studies or the Vocational Education and Training pathway. Based on these decisions, students select the subjects and/or courses they wish to study in Year 11 and 12.

The SET planning process is beneficial to our students and helps them embark on effective career planning and goal setting. Please discuss with your son or daughter what they have discovered about themselves in LEAP.

DATE CLAIMER: Year 7 and 9 cohorts

In these year levels, the students and staff are working on developing effective test-wise strategies to assist in completing the NAPLAN tests.

DATES: Tuesday May 10, Wednesday May 11 and Thursday May 12. Please don’t schedule other activities on these days.
Assessment Calendars
All Year Level assessment calendars will be available on the College website, under Current Students/Junior and Senior Assessment calendars. Parents and carers please use these calendars to assist your son or daughter with organisation and preparation for assessment tasks.

In the Senior school there are assessment blocks for Year 11 and 12. At the end of this term there are three scheduled days for common assessments. All students are expected to be at school on these days.

For the end of the semester an assessment block is scheduled where students attend only when they have scheduled examinations or other assessments. Failure to attend any examinations or assessments requires a medical certificate.

All Year 12 parents/carers and students are invited to attend the information evening.

The purpose of the evening is to inform you of the Year 12 procedures and how to get the most out of the final year of your son or daughter’s senior phase of learning.

All Year 11 parents/carers and students are invited to attend the information evening.

The purpose of the evening is to inform you of College expectations for Senior students and the processes that are required to be successful in Senior studies.

Kathryn Janovsky
Assistant Principal Curriculum

Assistant Principal Religious Education...

This week we commenced the season of Lent, which is forty days preparation for Easter. On Wednesday February 10, Ash Wednesday, Senior Leaders and members of the Leadership Team attended Mass at Sacred Heart Church and brought ashes back to the College for distribution to students and staff. The College Leaders are to be commended on the reverent way in which they attended Mass and distributed ashes to the students and staff.

Pope Francis, in this Jubilee Year of Mercy has the theme of Mercy running through his Lenten message. An extract of this message is printed below.

“God’s mercy transforms human hearts; it enables us, through the experience of a faithful love, to become merciful in turn. In an ever new miracle, divine mercy shines forth in our lives, inspiring each of us to love our neighbour and to devote ourselves to what the Church’s tradition calls the spiritual and corporal works of mercy. These works remind us that faith finds expression in concrete everyday actions meant to help our neighbours in body and spirit: by feeding, visiting, comforting and instructing them. On such things will we be judged. For this reason, I expressed my hope that “the Christian people may reflect on the corporal and spiritual works of mercy; this will be a way to reawaken our conscience, too often grown dull in the face of poverty, and to enter more deeply into the heart of the Gospel where the poor have a special experience of God’s mercy”.

On Friday February 12, a group of staff members participated in a mini Pilgrimage from St Michael's College to Sacred Heart Church at Clear Island Waters. Archbishop Mark Coleridge officially opened the doors of the Church at Sacred Heart, in the way that Pope Francis opened the Jubilee Doors at St Peter’s Basilica, and then celebrated Mass to mark the special significance of Sacred Heart Church in this Year of Mercy.

Assistant Principal Staff & Student Development...

“It’s not okay to stay away” and “being late is not okay either”

As we approach week 4 of the school year, it is timely to remind students and their caregivers of the College policy on notification of absences. There is a very high correlation between academic success and attendance rates; achievers attend every lesson every day.

Put in simpler terms if your student has a 90% attendance rate then that means they are absent for one day per fortnight. This would not be acceptable in the workplace where the norm is 10 days per year sick leave. The College is aiming for an overall 95% student attendance rate for 2016.

Of course there will be times, such as illness or genuinely extenuating family circumstances, when children could be absent. But these need to be a rarity rather than the norm. However, all absences must be explained to your child’s pastoral teacher by means of a note, phone call or an email. The College policy is for an SMS to be sent to all families for their children’s unexplained absences after the rolls are validated each day. If a child has an irregular attendance pattern then the pastoral teacher will make contact with the family to determine the nature of the absence and offer support if needed. Truants can place a child in unsafe situations and impact on their future employability and life choices.

It is the avoidable absences for which we seek parental assistance. Please do not schedule holidays during the school term even though the airfares may be tempting. I often get requests from parents to provide work for their student while they are away on holidays and desire to do assessments before the departure date. This is problematic in that if teaching were that easy that we could just send the work home to all students, then there would be no need for bricks and mortar schools. Tests cannot be conducted prior to the rest of the cohort in order to protect the integrity of the assessment. Year 11 and 12 exam dates are scheduled in the last weeks of all terms. It is imperative that all students are in attendance for these assessments. If you are unsure whether your holiday plans will be affected by the exam dates then please phone the College office to check the dates before booking those flights.

If your senior student is asking to stay home to catch up on their assignments, then they have a time management issue normally caused by their prioritising time in particular to part-time work, social media and other non-productive time wasting activities. Ample time is provided for assignments to be completed. Please do not let your child persuade you otherwise. Missing a few minutes each day may not seem like a big deal but your child may be missing more than you realise if he or she is continually late.

For more information on attendance and absences please refer to page 17 of your child’s 2016 Student Diary/Planner.

APSS

Japanese Exchange Students...

Dear Parents/Guardians,

I am writing to ask you to consider hosting a teenage female student from our sister school in Hakata, Japan.

The seventeen girls will arrive at school on Monday, March 7 and require a host family until Monday, March 21. During this time, they will attend school at SMC each day, including a few excursions, which will leave from school. We would request that on the weekend the host families would treat the girls to some of the beautiful sights of the Gold Coast.

We ask that the girls be provided with an Australian style packed lunch each day please. In addition, it would be preferable if the girls could have their own room, or a decent space in their host sister’s room. Host families will receive $100 to assist with providing food for the student.

If you are interested in this fantastic cultural exchange experience, please do not hesitate to call me at school or e-mail me at codea@stmichaels.qld.edu.au.

I look forward to your positive response.

Colleen O’Dea
Japanese Teacher
Swimming Carnival 2016. Champions **OXENHAM** make it two in a row!

Last Thursday our first Inter-House Swimming Carnival took place at Somerset College. This year it was a hotly contested competition with only thirty points between all four houses leading into the relays. A great team effort saw Oxenham take out the Swimming Championship from Shannon. A big thank you to all the House Prefects and Leaders who worked tirelessly at the carnival and in the lead up.

**Hinterland District Swimming**

Students who finished in the top two in the Championship races automatically qualified for the District trials which take place on February 22 at TSS. These students will be asked to attend a meeting on Tuesday at recess.

A final note to any student who would like to nominate for longer events such as 100m, 200m and 400m events, please email Mrs Alexander “verified times” from a recent swim meet (the majority of club swimmers have a “My Swim Account” and all recent meets are listed there). If this cannot be done, the Convenor may not accept entries. Please see Mrs Alexander for further clarification.

**QLD School Sport Triathlon**

All the very best to the following students who will contest the QLD Championships in Kawana, this Friday and Saturday.

- Peter Harbulot (Year 9)
- Grace Lane (Year 9)
- Quinn Monaghan (Year 11)
- Nicholas Norton (Year 11)

**Hinterland District Selection**

Congratulations to the following students who were selected in District School Sport Teams last week.

- Melita Watts: 16 Yrs Girls’ AFL
- Bryce Catchpole: Open Boys’ Union

Note: Any boys who turn 13 or 14 this year and would like to trial for the 14 Years South Coast Cricket team, please see Mrs Alexander for information this week. The trials are on February 29.

Welcome to this Week’s Library News!

It was great to see the Year 7 students so eager to borrow a book for Sustained Silent Reading this week. Please help us to help your children by encouraging them to read at home as much as possible. As an added incentive there are prizes for any student who is able to read four books (both at home and at school) this term. Students should let their pastoral teacher know when they have reached this goal, so that they can email me directly.

As this is a protected site, students will need to login using their network username and password.

This collection is updated weekly and allows students to search for new fiction and non-fiction of interest.

Please look out for the red suggestion box in the library. Students are welcome to submit the titles of books they would like to read so that we can purchase them as soon as possible.

What's going on?
Year 7 and 8 students will be receiving details in regards to their theory assessment.
Year 9 students are finalising their fitness tests and will be taking part in a new activity.
Year 10 students will be assessed on their practical component within the next week.
Senior students are busy preparing their theoretical work for assessment.

Gym
Parents and students are reminded that the gym is open on a Tuesday and Thursday afternoon 3:00pm – 4:00pm. Students are asked to bring a full change of clothes, a towel and water bottle to every gym session.

Healthy Hints
Just do it !!! The following benefits of exercise may motivate you: less risk of heart disease, diabetes, and certain cancers; a brighter mood; and a sharper mind.

Students who have paid deposits for the 2016 Snow Trip, can now collect detailed information forms from Mr Ford.

The trip is taking place during the first week of the September holidays leaving on Friday September 16 and returning on Saturday September 24.

HPE Faculty Leader

Rob Ford
Graphics Teacher
**Music Department...**

**A New PA system**

Recently the music department purchased a new Yamaha PA system. This will now allow the Senior Students in particular, the opportunity to get familiar with and learn practical skills in understanding how to operate a PA system.

---

**Friday Performance Club**
Throughout term 1 St Michael’s music will be showcasing students who wish to perform on their chosen instrument. This will take place every Friday of week B at first break. So if you play an instrument or sing and are interested in signing up, head to Student Reception for further details.

**Jam Club**
Jam club is a new initiative that provides all students with the opportunity to ‘jam’ with their mates. Students will be able to come to the music room in first or second break and have some fun. The club will begin very soon with particular days and breaks for certain year levels. Stay tuned to next week’s newsletter for more information. Students may even get the chance to have a jam with Mr Nayler or Mr Eisenhuth 😊

**P&F News...**

P& F Meeting Tuesday 1 March - All Welcome
Guest Speaker: Mrs Kathryn Janovsky, APC

Come along to hear how learning ‘takes flight’ at St Michael’s College for your children. Based on our Learning and Teaching framework, we aim to develop self-directed and responsible learners in a friendly learning Catholic community. This year we are launching our Learning and Teaching Framework as the culmination of the work of staff and students over the past three years. We would value your input into the framework. At the evening you will be stepped through the main aspects of our framework and be taken on the journey to assist your child in developing as a learner.

Any questions or information required regarding any of the below, please do not hesitate to contact Student Services.

Trudi Neely
Vocational Pathways and Career Coordinator

UNIVERSITY OF SOUTHERN QUEENSLAND

HAVE YOU GOT A PASSION TO MAKE A DIFFERENCE IN YOUR COMMUNITY? The USQ’s Young Leaders Program are holding events at Toowoomba campus on 3 March, and the Springfield campus on 4 March. For further information visit usq.edu.au/inspire. Registrations are open now and close 3 June 2016 with the UMAT test being held on Wednesday 27 July 2016. Please apply to universities by the published deadline. If you are in year 10 or 11 start preparing today.

IMPORTANT UMAT 2016 DATES

Any students in year 12 who are considering a career in medicine, dentistry or optometry need to sit a compulsory entry exam known as UMAT. UMAT (Undergraduate Medicine and Health Sciences Admission Test). Registrations are open now and close 3 June 2016 with the UMAT test being held on Wednesday 27 July 2016. Please apply to universities by the published deadline. If you are in year 10 or 11 start preparing today.

MEDENTRY UMAT PREPARATION

Students interested in pursuing medicine and other health courses need to sit the UMAT on 27 July 2016. MedEntry is a government accredited Registered Training Organisations specialising in UMAT preparation. MedEntry offers discounts of 30% for groups, and numerous scholarships. For more information, please visit www.medentry.edu.au. Please note that Griffith University and Bond University no longer require students to sit the UMAT test.

2016 UNSW INDIGENOUS WINTER SCHOOL PROGRAM

The UNSW Indigenous Winter School Program is open for students in Year 10, 11, or 12 who are considering tertiary studies at the University of New South Wales, Sydney. If interested please visit http://www.nuragili.unsw.edu.au/winterschool.html. Closing date for applications is 5pm on 8 April 2016. Incomplete or late applications cannot be accepted.

TRADES PROGRAM 2016 – GOLD COAST TAFE

There are still positions available to students interested in Certificate II Engineering, Electro-Technology and Automotive at the Nerang and Burleigh campus. Interested students can enrol up until week 3 of Term 1.

GOLD COAST TAFE – INTRODUCTION TO VETERINARY NURSING

Love the idea of pursuing a career with animals but not quite sure where to start? Southport TAFE is offering a 5 week course, starting Monday 15 February from 6pm-9pm. The course will cost $250 and is only applicable to students 15 years and older. For further enquiries please phone TAFE Qld Gold Coast Customer Service on 5581 8300.

CELEBRATING WOMEN IN TRADES DAY

To celebrate women in trades Busy At Work are hosting a free sausage sizzle to connect with successful trades people and meet industry mentors and teachers at Roma Street Parklands, Brisbane (Amphitheatre) on Tuesday 8 March between 11am – 2pm. To register your interest please email fit@ecapprenticeships.com.au or call (07) 3881-3166 and ask to speak to Heather, Sam or Kim.
